HERE IS A DRINK WORTH TALKING ABOUT

LIME FREEZE

A drink that is absolutely pure. Made with fresh limes, fresh mint and other pure fruit juices, blended with the right proportion of properly carbonated water, it makes a combination that is just right.

As healthful as it is refreshing. The juice of the lime is now recognized as being an important factor in warding off many ills of the summer season.

CHILDREN ENJOYED OUTING AT HILLDALE

Tuesday will be long remembered by the staff and little ones in the shelter of the Children's Aid Society, Elliott row. On the invitation of Mr. and Mrs. Willard Smith they were enabled to spend the day at their beautiful summer residence, Hilldale. Early in the forenoon an animated party left the

Why Toil in an Overheated Kitchen These Lovely Days?

Why, think of it. You're simply wearing yourself out standing over a hot coal range or wood stove, and working with kindling, coal ashes and dirt; and there's really no need of it, for you, like hundreds of other housewives, can avoid such drudgery by using

Now Perfection Oil Cook Stove

which will give you a cool, pleasant kitchen free from dust, dirt and ashes, so you'll have much more time to enjoy glorious summer days, and yet the New Perfection will do all that a coal or wood stove will do—do it as well or better, and with a big saving of fuel and labor.

We show the New Perfection in various styles. Call and see them

LOCAL NEWS

AID OF RED CROSS

Duck Cove Ducky Fair Saturday next. Special motor car service from Lewin's corner, Sand Cove road, to the cove. Big pie tea service on the grounds.

NO ARRESTS

Not a single arrest was made by the police yesterday or this morning, consequently the court officials had a very easy time today. The police sheet again bore the word nil and with the exception of one by-law report there was nothing to mar the peace of the court.

BURIED TODAY

The funeral of Mrs. John McDonald took place this afternoon from her late residence, 86 St. Patrick street, to the Cathedral, where burial services were conducted by Rev. Arthur Allen. Interment was made in the new Catholic cemetery. The floral offerings were numerous.

EXMOUTH AND ZION PICNIC

The combined Sunday school picnic of the Exmouth street Methodist church and the Zion Methodist church went up to Crystal Beach today. The D. J. Ferry conveyed a large number of joy seekers to the spot this morning, while the steamer *Majestic* made another trip this afternoon, bringing hundreds of more picnickers. The day was beautiful and the outing was being greatly enjoyed.

FORESTRY OFFICERS

The appointment of the following officers to No. 2 Forestry Company have been approved: Officer commanding, Major C. L. Hamilton; second in command, Major J. G. Kirkpatrick; captain, F. A. Morley; lieutenants, F. E. Groves, W. Grant Smith, Stanley E. Calhoun, H. Callaghan, E. S. Cosman, J. S. Scott, T. J. McMillan, C. D. Smith, M. J. Ferguson, and M. J. Powers. Lieutenants Powers and Ferguson have proceeded overseas and will rejoin the unit upon its arrival in England.

ONE WOUNDED, ANOTHER ENLISTS

A. H. Jones, of Moncton, has received a telegram from his brother, G. R. Jones of Vancouver, stating that the latter's son, Walter, who passed through Moncton about four months ago for overseas duties, is now in a hospital in France, suffering from a wound in the thigh received on August 5. A. H. Jones was also in receipt of a card Monday from Corporal Walter Jones, written July 28. Mr. and Mrs. G. R. Jones' eldest son, Randolph, has enlisted, and is now in training for overseas duties.

TRAFFIC VIOLATIONS

John Chynn was before Magistrate Ritchie this morning in answer to two charges, that of speeding in Waterloo street in his car on Saturday night last, and also for driving his car with the right wheel to the curb on another occasion. Policeman Gaudin testified as to the violation on Saturday night. Mr. Chynn said that he never remembered driving his car over ten miles an hour in the city limits. He was not sure whether he personally had the car out or not that night. The case was postponed until tomorrow when the charges, and another against his son for exceeding the speed limit in City road with the same car, will be finally disposed of.

YORK PETITION FOR REPEAL OF SCOTT ACT IS READY

Fredericton, Aug. 15.—Those interested in the repeal of the Canada temperance act in York county as a preparatory for the bringing of the provincial prohibition act into force say that a petition for the repeal of the act has been signed by the required number of electors and 180 in addition. The delay is an account of reported legislation contemplated at Ottawa which will repeal the Canada temperance act in all sections in which a prohibitory measure may apply and make an election unnecessary.

CITY WHARVES TO BE READY FOR BUSINESS

The Standard this morning asks the question: "Will St. John be ready for practically no repair work has been done yet on the west side wharves and sheds. This morning Commissioner Russell, when asked in regard to the situation, said that this was entirely untrue. He said he has fourteen men working on No. 1 shed and seven men working at No. 2 shed, and he will have an extra gang of men at work by next week. He reports that the work is coming along very favorably and rapidly, and expects to have the work completed within a very short time. Even should the winter port open up this year one month sooner than it has other years, Commissioner Russell said, the wharves and sheds will be in readiness.

COAL PRICES IN HALIFAX

(Halifax Herald.)

Shipments of hard coal are arriving here by rail for the first time in many years. The cost of bringing it here in this way is greater, but so far the price has not been increased. It had been reported a few days ago that the price of hard coal had taken a big drop. The Herald made enquiries yesterday as to the truth of this report, and was informed that it was without foundation. It was stated that hard coal is selling for \$15 per ton, looked for thirty days ago, and \$16.50 if looked for a longer period. A representative of one firm said—"We are prepared to sell hard coal for \$14.50 per ton spot cash."

As to the supply, The Herald was informed that it was not too good. There appeared to be a scarcity at the moment. The local demand was quite brisk, although quite a large number have already received their winter supply, and there were a large number who have booked it at present current prices. The freight rates on hard coal by rail from the American mines is \$6.45. This is higher than the rates by water. The supply of soft coal is good. The prices ruling is \$8 net for Inverness, \$8.50 cash for Sydney and Reserve.

JOYOUS DAY FOR MANY CHILDREN

Bishop's Picnic, Annual Outing For Cathedral Parish, Enjoyed Today With Best of Weather

There was not one grown-up, who watched with longing eyes the seven hundred Sunday school children as they marched through the streets this morning on their way to the station to embark for the picnic grounds at Torriburn who did not have a deep-rooted wish that he or she was a kiddy just for the day.

The occasion was the annual picnic of the Cathedral parish, more commonly called the "Bishop's Picnic." At eight o'clock this morning the bells of the Cathedral pealed out joyously the announcement that the picnic was to go. At nine o'clock the boys of the parish lined up in front of St. Joseph's school in Sydney street, while the girls assembled in front of St. Joseph's. Long before the scheduled hour the anxious boys and the prim little nuns were in line. Headed by the City Cornet band the line of march commenced and, as the route was traversed, hundreds of people were out on the streets to see the youngsters. There were well over 700 in line and the sight was an attractive one. There was not one face in the entire line that did not have a smile and as it was centered upon the onlookers it was surely met with envious looks.

The band headed the procession and next came the girls all attired in white in charge of Rev. Francis Walker of the Cathedral. Following the girls came the boys, in charge of Rev. William M. LeBlanc and Rev. Miles P. Howland. At the rear was His Lordship Bishop LeBlanc in a carriage and with him was Rev. J. Walsh, V.G.

The grounds at Torriburn were alive with people by noon and this afternoon brought even larger crowds to the scene of the picnic. The weather was ideal and everything indicated a gala time. The success of the picnic is assured. On the grounds energetic committees were busily engaged keeping the affair on the move and on all sides a most pleasant outing was being enjoyed.

ONTARIO WHEAT AN AVERAGE CROP

Toronto, Aug. 15.—Most of the Ontario fall wheat has been cut and housed, says the weekly report of the provincial department of agriculture, but winter wheat is in the shock. In yield per acre it will be about an average crop, although the returns per acre vary greatly even in the same localities. Spring wheat will be above its average in yield and in the length of straw. There is a similar report to that of fall wheat. Barley never showed to better advantage, taking quantity and quality of both grain and straw into consideration. A fair portion of the crop already has been harvested.

Oat fields, as a rule, have been a revelation of growth.

CORP. MURDOCH GRANT WRITES OF HIS WOUNDS

Miss Bessie G. Thompson, of Brown's Flats, a member of the correspondence committee of the Women's Canadian Club, has received the following letter from Corporal Murdoch Grant, a member of the first battalion in answer to one of her letters. He writes:—

"Your very kind letter of recent date impressed me strongly with the good work and undertakings of the ladies of our Canadian towns. I extend my heartfelt thanks to you and other ladies of your club.

"I was wounded in the left leg a piece of shell casing went through the calf of my leg. Another shell burst near me and a piece of it went through my steel helmet and entered my head at the left side, six inches above my ear. I am pleased to inform you that both wounds are progressing very favorably. My back suffered mostly from an wearing a sort of straight jacket. I was pleased to note you were familiar with Evan-dale. It is really a most beautiful spot. I came overseas with the 55th Battalion, and, strange to say, the Canadian papers seem to forget that such a battalion ever existed, but many members of that unit have paid the supreme sacrifice and many have distinguished themselves. The mothers have played their part well, but, like everything else, this war has an ending and God grant it is not far distant."

NO PARADE OF UNIONS IN BOSTON LABOR DAY

Boston, Aug. 15.—The labor unions of this city, for the first time in nearly fifty years, will hold no parade on Labor day this year. Officials decided to suspend the customary observance because of the financial condition of the unions, brought about by heavy investment in Liberty bonds, and of the absence of hundreds of union men who have entered the government service. A patriotic demonstration on the Common will be substituted.

LIGHTER RAILWAY TRAFFIC MAKES PICNICS POSSIBLE

The fact that picnic trains were to be run over the Canadian Government Railway today came as a surprise to many of the citizens, and that many a management of the road announced that there would, under no consideration, run special trains this summer. The cause of the C. R. G. issuing this notice was the fact that they were counting on heavy movement of troops this summer and that all available cars would be in use. It was found later that the movement of troops was not as heavy as was anticipated, and that therefore, the road has been carrying some picnics. At least five or six picnics have been run out of Moncton and, a few weeks ago, the Ludlow street Baptist church picnic at Rothesay had a special train.
