

ANNIVERSARY SALE

1866 55th 1921

55 YEARS

Tomorrow the First Day of Our Fifty-Fifth Anniversary Celebration Will be Crowded With Unusual Values

The entirely new conditions now existing in this and neighboring countries owing to the return of a more normal state of affairs, coupled with our great efforts to make this event something to remember, will proclaim this the most important occasion in the progressive history of this store.

Each day for ten days will bring new and stirring offerings at very low prices which will be well worth your looking into. We cannot impress upon you too strongly the wisdom of getting a goodly share of the offerings of the first day—tomorrow.
