

Have Won The Military Cross

Lieut. D. V. White of This City
and Capt. R. M. Barbour of
Fredericton Honored—Memorial
Services Held

Lieut. Douglas V. White, son of Dr. W. W. White, of Sydney street, has been awarded the Military Cross for conspicuous bravery, according to the facts published in Regimental Orders on the 15th of November. Lieut. White received this distinction for volunteering for perilous work which he carried out with complete success. Word has been received from overseas that Captain Royden M. Barbour, son of Dr. F. W. Barbour, Fredericton, has been awarded the military cross. Captain Barbour went overseas with the 64th Battalion.

A memorial service in honor of Private Wesley Barnes was held last evening in the Main street Baptist church. The service was conducted by Rev. I. W. Williamson. Special music was provided by the church choir. An impressive memorial service was held in the Main street Baptist church last evening in memory of the late Frederick Hall, recently killed at the west side wharves. The service was conducted by Rev. J. H. Jenner. The choir rendered appropriate music.

The London Gazette notes these appointments: To be Act. Capt. Temp. J. G. Leighton, M. C., Temp. Maj. A. McMillan, D. S. O., is second for duty as staff lecturer. Temp. Capt. W. C. Lawson, M. C., to be Adj. A memorial service was held last night in the Main street Baptist church for the two Chasley brothers, Frank and Harold, sons of A. Purdy Chasley, Main street, and among the large congregation that filled the edifice were many friends of the two lads who had gone over the top in the cause of Freedom. The pulpit was suitably draped and pictures of the boys who had offered up their lives were given a place in front of the pulpit. Rev. Dr. Hutchinson, pastor of the church, conducted the service and the large congregation present evidenced the interest they had in the boys who were so well known. Appropriate musical selections were rendered by the choir, one of them being "Cannon's 'Crossing the Bar,'" and a solo was beautifully rendered by Mrs. Blake Ferris.

Home from Germany.

Lieutenant Kenneth L. Golding, son of Mrs. Edgar Golding, Paddock street, arrived in the city Saturday afternoon from New York which port he reached on Wednesday last from overseas. The St. John office was one of the passenger list with 5,000 American soldiers, chiefly those in the air force, on the Lapland, of the Red Star Line. Lieutenant Golding was manager of a branch of the Bank of Nova Scotia in Toronto, when he enlisted. He joined the aviators, did some training in Canada, continued his training in England, and in about six months from the time he entered the service was on duty in France. Within a week or two, as a result of an airfight, his machine went crashing to the ground, and he was seriously injured. For a time it was thought he had been killed, but word finally got through to relatives that he had been taken prisoner of war. Many weeks elapsed before any word was received about him. He was first reported missing and after an anxious wait he was reported alive but a prisoner in Germany. During his stay in Germany he was under treatment all the time. Eventually he was removed to Holland and finally to England.

Merchants Bank Strengthens Position; Report Just Issued Indicates Progress

Large gains in savings deposits, in current loans, liquid resources and total assets are reported by the Merchants Bank for the twelve months ended Oct. 31, 1918. The figures when compared with those reported as at Oct. 31, 1917, show that very substantial progress has been made by the bank, gains over the corresponding period of 1917 being shown in every department of the bank's activities.

The total assets of the bank now amount to approximately \$186,000,000, as compared with \$180,000,000 at the end of October, 1917. The liquid assets amount to over \$72,000,000 and show an increase of almost \$17,000,000 indicating that the bank is taking every precaution to keep its resources in a quickly convertible form. While demand deposits remain practically unchanged the gain in savings deposits amounts to over \$35,000,000 or a gain of fifty per cent. The total is now \$105,600,000. That the Merchants Bank is doing its full share in catering to the business needs of the country is shown by the fact that current loans have gained over \$18,000,000 and now stand at over \$86,000,000.

Altogether the report is one which gives the greatest possible satisfaction to shareholders, depositors and the public in general. The statement shows evidence of widespread prosperity throughout the dominion, a prosperity which is shared in by the Merchants Bank.

26TH BATTALION NOW IN GERMANY

Canadian forces are now on German soil, according to information received in England. The forces include the Royal Canadian Dragoons, the Fort Garry Horse, Strathcona Horse, the Royal Canadian Horse Artillery, forming the Canadian cavalry brigade, and the 1st, 2nd, 3rd and 4th Canadian divisions. In the first division is the famous New Brunswick 26th Battalion.

Soldiers May Have Perished. Private Nevejinian Spanlar, who recently returned from overseas, while en route from Halifax to Coburg, Ont., escaped from the train between Moncton and Newcastle and has not yet been found. He is insane and when he got away from the authorities he was only thinly clad. It is feared he perished in the cold.

Long Trip Earns Fine. Charles Wilson of Montreal was fined \$200 or three months in jail at Ormoco on Saturday. A companion, George Galbraith, was remanded until Wednesday. The two are said to have taken about \$1,000 worth of liquor from St. John to Minto in a motor truck.

Another Gas Strike. An encouraging flow of gas has been struck in one of the oil wells being deepened at the gas and oil fields in Albert County. The new strike will tend to relieve the anxiety felt in regard to a possible gas shortage during the winter.
