Presque Isle Looks After All Its Boys

Presque Isle, Me., May 13.—There was a good attendance at the mass meeting in the Presque Isle Opera House at 2:30 Sunday afternoon. The meeting was held in the interest of the Boy Betterment movement and the speaker of the afternoon was O. E. Frost, a prominent business man of Belfast.

John J. Thompson, the new director of the Boys' Betterment movement, has arrived in town and has already commenced work. Mr. Thompson was born in Toronto, Can., and received his early training in the Y. M. C. A. of that city. He won the all-round athletic championship three years in succession. He won the five-mile cross country championship for the province of Ontario in 1905, and held the Canadian three-mile track record in 1908.

Mr. Thompson took up the work of Y. M. C. A. physical director in 1907, and during that year and part of the

The Pearl

Through every period of man's history the pearl has been the object of enthusiastic admiration. There's a beauty about it that makes the savage hold it the choicest of his ornaments, and causes civilized man to value it as most exquisite of gems.

Today the pearl is in high favor among those who follow fashions in jewelry.

At Sharpe's you will find Pearls of great beauty, lustre and fire—jewels you would consider yourself fortunate in possessing. These Pearls are set in Rings, Brooches, Necklaces and other fashionable ornaments. You will enjoy seeing them. Come in and look at them—especially at the Pearl Rings—singles and hoops.

LYNCHING WILL COST THIS COMPANY \$7,000

Railroad Which Supplied Train Must Pay.

Jackson, Miss., May 14—A railroad that permits one of its trains to be chartered to carry a mob to the scene of a lynching is liable to damage, according to a compromise decree handed down in the federal court here.

The court allowed Mrs. Alice Rogers a judgment of \$7,000 in her suit for \$50,000 against the Vicksburg Shreveport and Pacific Railroad.

It was shown that a mob at Monroe, La., chartered a train, went to Tallulah, La., and lynched Rogers, the plaintiff's husband, after he had been acquitted of a charge of murder.

Milwaukee, Wis., boasts of the youngest motorcycle rider in the world, Walter W. Baldwin, five years of age. He is the son of expert riders, rode a bicycle himself when three years old, and has been trained until he can drive his motorcycle safely and skillfully.

Defective teeth are said to be the cause of more physical deterioration than alcohol.
