Having Hard Luck.
The New York Boxing Commission are having hard luck in their efforts to stage a tournament to decide the successor to Benny Leonard, who relinquished his crown some time ago. First four of the leading contenders decide they will not participate, and now Rocky Kansas is crippled. Even if his hand is better he will not be able to train properly for the big test.

St. Johns Badly Beaten In Final League Game of Western Section

Along the Sport Trail

SPORT WRITERS in England are still paying tributes to the memory of Jim Driscoll. They consider he was a wonderful exponent and one of the handsomest and staunchest featherweight pugilists that ever stepped inside a ring. Upon his retirement he developed galloping consumption and the end was only a matter of time. He was an idol among English followers of the sport, who favored his style and marked games. A story is told about him during the bout in which Georges Carpentier gave Bombardier Wells a sleep producing wallop after 70 seconds of fighting. Jim, a dapper figure in evening dress, was present and when he saw the Frenchman drop the Britisher tears of rage began running down his cheeks and he started pulling off his coat, apparently bent on going into the ring himself, regardless of size and weight, in a desperate effort to restore British prestige. It can readily be understood why a man of this type was a popular favorite.

IN VIEW of the fact that steps are now being taken to convert the present National Hockey League into an International organization with teams from New York, Boston, Cleveland and probably Buffalo in addition to the Canadian clubs an opportunity should be afforded some of the leading Maritime players to get into the big circuit. One of the most outstanding players in these parts is Lamb of Sussex, whose brilliant work against the St. Johns won the admiration of fans in general. He is a husky youth, an exceptionally fast skater and a clever stick handler. If an opportunity ever comes his way he should take advantage of it for he has the earmarks of a big leaguer.

"BABE" RUTH will undoubtedly be delighted to learn that the St. Louis Browns have released Pruettt to the Oakland Club. He is a southpaw pitcher and became quite famous because of his ability to strike out Ruth, the "mighty king of swat." It seemed that the southpaw was a regular jinx for the Babe, although he did not seem to be nearly as effective against other members of the club. The St. Louis management is evidently out to make or break the club for Pruettt is the sixth member of the pitching staff to be let go since the close of the 1924 campaign. The others were Shocker, Kolp, Bayne, Lyons and Volght.

"CANNONBALL" EDDIE MARTIN, who recently won the bantamweight title from Abe Goldstein, is the youngest professional boxing champion of the world. He is just 21 years of age and ordinarily should have a long career ahead of him in the ring. However, critics feel he will follow in the footsteps of "Battling" Nelson and Ad Walgate because of his rushing style, which necessitates absorbing much punishment in order to win. Mike McTigue, according to records, is the oldest champion, 32 years; Harry Greb is 30, Jack Dempsey and Benny Leonard 28 and Mickey Walker and Pancho Villa 28.

"PA" STRIBLING, father and manager of "Young" Stribling, has refused an offer to match his charge against Jack Delaney of Bridgeport. In a bout of this kind "Young" Stribling has practically everything to lose and nothing to gain. Delaney is a dangerous opponent for any of the light heavyweights and Stribling is too young to be sent against a boxer of his ability. There is time enough for him to meet the leading contenders for the title when he becomes of age. His father is apparently showing judgment in his choice of opponents. Many a promising boxer has been ruined by a poor matchmaker.

LOGAN BROTHERS
WILL NOT PERFORM

Decide Not to Compete in
Police's Sports—Will
Enter Championships.

There have been conflicting reports in circulation throughout the city regarding the entry of the Logan brothers in the police's sports this evening. Fred Logan, their father, announced this morning that they would not be entered. He explained that both have been through a hard campaign on the big circuit and he was not anxious to have them compete again until the New Brunswick and maritime championships, although he would have considered allowing Willie to skate if a suitable prize was put up for competition. He pointed out that he has not been skating on the circular rink and will need practice to get used to it. As he has only been home two days he has had little opportunity to practice and as a result he is taking a chance of falling and injuring himself and he did not consider it wise. He regrets that he will have to disappoint the fans, but says they will have an opportunity to see him perform in the championship meets.

VETERAN DRIVER
RETIRE FROM TURF

Dick McMahon Quits Light
Harness Game After Service
of 40 Years.

After forty years of campaigning on the light harness turf, Dick McMahon has retired to take over the management of the Calumet Farm at Lexington, Ky. In his many years of activity the limit of speed has been cut from 2:10 to 1:52.3-4, and at each remove McMahon has been on the firing line with either a trotter or pacer. From now on his skill will be directed to the production and development of the Belwin colts at Calumet Farm. His first move was made at the close of 1924, when he cut the world to 2:04.4 with Silver Bell.

Start of His Career.

McMahon is a Kansas product and left Fredonia when 15 years old to make his way in the world, starting his career with a quarter horse at Parsons. After a year he transferred his allegiance to the light harness in horse. In eight years was with the Stewarts at Kansas City.

For three years McMahon raced the state to Boston, winning everywhere. His next pupil was Citation, which carried a record of 2:09.3-4, but had never been able to win. LOCALS PUT UP
HARD FIGHT BUT
LOSE TO SUSSEX

Goalie Has Off Night
And Let Many Easy
Shots Go By

Sussex, playing whirlwind hockey from the start until the finish, outclassed the St. Johns in the Arena last evening in the final game of the Western section of the M. P. H. A. by a score of 10 to 2. The locals played brilliantly at times and repeatedly threatened to score, but their shooting was away off, undoubtedly due to lack of practice. The Sussex boys took advantage of an opportunity to get in some real competition prior to their series for the Maritime championship and kept working at top speed throughout the entire game. They also used their substitutes frequently as soon as they had secured a commanding lead.

Easy Shots Get By.

The St. Johns should never have been beaten by such a large score, but many easy shots got by Nicholson, which usually he would have no trouble in turning aside. A couple of times Johnny LeClair scored when he had no license to have the puck. This resulted from one of the other St. John players neglecting to chase the puck after the Sussex boys had attempted to score.

Played Good Game.

For the St. John team Boudreau and Brad Gilbert were the individual stars. The former stayed on the ice throughout the entire game and put up a great exhibition. The latter broke up many of the Sussex boys' rushes and also shot one of the two goals secured by his team.

Some Sensational Stops.

For Sussex the LeClair brothers were in a class by themselves, while Lamb also turned in a stellar performance. George LeClair, in goal, was right on well merited applause from St. John fans as well as from the friends of the champions. The game was an interesting one to watch despite the one-sided score.

Bill Hay, of Sussex, handled the game in a satisfactory manner, both teams playing clean hockey. Reid drawing the only penalty of the game, for tripping.

The line-ups: Sussex—Goal: Leclair; defence, Lamb and P. Radcliffe; forwards, J. Leclair, Reid and H. Radcliffe; subs, Friars, Brooks.

St. John—Goal, Nicholson; defence, B. Gilbert and Hallisey; forwards, J. Gilbert, Kiley, Boudreau; subs, Shortt, Monthel.
