Dear Mr Carter,

As you know, the Indians of Church Point, have made preparations to erect a building to serve as a Band House for general purposes, one of which is to lodge their visiting clergyman.

The frame of this building is ready to go up, but I cannot consent to let them proceed with the work until I see a means of paying for it.

They now propose to finish the lower flat as a school room, and finish the upper story for general purposes with the hope that the government may give them an allowance for this purpose. You may get
