

**Commercial Council.** —*On Friday last, after a variety of other business and legal disputes of Alderman Nisbett submitted a resolution to the Board of Trade, requesting its appointment of a committee of three or four Bondholders, who are now entitled to six per cent. on all their debts, which it is probable that the City would be compelled to pay, if the Province guaranteed, at four per cent., the debts of a large sum owing to the Corporation, which would enable them to meet the demands of the Corporation, and to give the Province a saving to the Corporation, inasmuch as the motion was seconded by Messrs. Allcock, Mr. Lockhart, Vaughan, and F. A. Smith, were appointed a Committee in accordance with the resolution.*

A Committee was also appointed to draft amending clauses to the Bill, which was recently passed, and published in another part of this paper.

A great improvement is now being effected at the head-  
ings, and making no difficulty in getting through the  
streets, while the vehicles may pass my way, — so the streets, which  
the Lockhart will doubtless require to be made, — the Alderman  
will be gratified to hear.
