Action of the America House Greeted with Lib.ral Cheers

George E. Foster Sees Canada's Finish in Freer Trade with United States---Says
Chamberlain's Scheme is
Doomed---O.her Members

Wiews

Millers' Association waited on Hon, Mr. Fielding this morning, voicing their attitude towards reciprocity.

The millers delegation, composed of President Woods, Messrs. Watts and Rice, Senator Campbell and I. A. Low, M. P., asked an extension of the proposed free list to include mill bran and shorts. No encouragement was given by the min-

the hewers of wood and drawers of water the United States. The mines, forests Eritish Preferance Safe.

ras able to work out her own savation, conomic and otherwise. The member for Yale-Cariboo said he had been a practical fruit grower for twenty-eight years and that a "smashing blow had been dealt the industry in the interest of the southern and western fruit states," He quoted statistics at length, arguing that the western fruit growers would under the agreement face ruinous competition.

Milling and Paper Interests Want

Ottawa, Feb. 14—Representatives of large paper interests and of the Dominio Millers' Association waited on Hon. Mr

No encouragement was given by the minister.

W. J. Gage, of Toronto, and J. R. Booth, of Ottawa, waited on Mr. Fielding privately to take exception to the schedule where paper boards and paper to the where paper boards and paper to the value of four cents are admitted free and suggested 3 cents instead. The suggestion was not heartily welcomed by the minister.

Ottawa, Feb. 15—"Canada is young, vigorous, progressive. She is strong in the enthusiasm of achievement. She cannot afford to listen to the counsel of the timid, the faint-hearted, the pessinist. She must be up and doing, ever going ahead. She cannot sit down and fold her arms, close her eyes and murmur. Tet well enough alone.' She can retire from business altogether, but she is not moving forhis afternoon Mr. Foster opened a safteneon Mr. Foster opened a She knows that if she is not moving for-laration that the result of the reciproward she must be moving backward. There is no standing still. And the policy of the government since it took office in ural resources."

1896, year by year, has been forward, forward."

t was the thin end of the wedge which ald be driven home until there was about free trade between Canada and the steel States with a tariff wall against today, which roused the Liberals to rest of the world. The agreement had rever dished Canada's chance of obtaining a preference from Britain. There is no chance for preference being establed within the British empire. The protof of the Hon. Jos. Chamberlain has no given its death blow."

The Foster said "Canadians would be be hewers of wood and drawers of water."

The protof of Hugh Guthnie in the commons today, which roused the Liberals to respect of the member for South Wellington made a masterly contribution to the reciprocity debate. With thoroughness and detail he analyzed the terms of the agreement, demonstrating the advantages which must accrue from it, and dissipating the sophistries with which Mr. Foster had sought to shroud it.

fritish Preference Safe.

In trenchant, sentences he dealt with the movement of American industrial concerns across the international boundary line."

He said "the sentiment in the United States, which is pushing reciprocity on is not based on economic, but on political rounds, and has for its object the conjuest of Canada by peaceful means. From the bottom of my heart I believe that there is danger ahead and this path will lead us away from Britain."

Liberals Cheer Congress' Action.

On the reasembling of the house tonight the announcement of the telegraphic message recording the passing of the reciprocity arrangement.

would sell in the fighest market, and Great Britain controlled the market prices for both these products.

"We look for greatly increased production as a result of reciprocity," said Mr. Guthrie, "and in a short time our exports to Great Britain will be materially increased, as well as to the United States and the rest of the world. The average reduction is somewhat under four per cent, but the British preference its effect ould be rather to multiply them, not ally north and south, but east and west Dealing with the British preference, he inted out that Mr. Foster should be last man to combat it upon that found, since when the British preference will still be allowed on these and our purchases of such articles will increase, as our purchasing articles will increase, as our purchasing when the British preterence submitted by the governmer for North Toronto assition of absolute opposition strong about the composition of absolute opposition when the British preterence articles will increase, as our purchasing ability becomes greater. Summing up, Mr. Guthrie said that less than two and one-half per cent. of Canada's trade with Great Britain would be approximately approximate

affected.

Burrell (Yale-Cariboo) declared government's proposals to be revoluted the Conservative party had stood reciprocity up to the present. There no lessening of the desire to maintain dly relations with the nation to the a, but for years there had been a eming of the conviction that Canada

The member for Victoria and Haliburton wanted to know if the government had any information concerning the matter, and what its intentions were concerning it.

ing the matter, and what its intentions were concerning it.

"I have not had my attention drawn to it until this moment," replied Sir Wilfrid Laurier. "I have only to say that the policy of the government is already settled, but," he added, smiling, "if some nefarious intention of the kind mentioned in this article should be put into action, and the worst come to the worst, I shall call upon my honorable friend, as a gallant soldier, to dispose of it and guard our interests."

"Does the prime minister place the matter in my hands officially?" queried the colonel. "If so, I shall proceed to Washington immediately," quoth he, laughing.

OTTAWA EXPECTS KINGS CO. READY FOR THE FIGHT

Winning Ticket Chosen Wednesday at One of Most Enthusiastic Liberal Conventions Ever Held in County

All Three Candidates, Frank R. Freeze, S. H. Flewwelling and Henry Gilbert Have Served in County Council and Are Men of High Standing --- Ringing Speeches Made by Hon. C. W. Robson, Dr. McAlister, M. P., the Candidates and Others --- Hazen Party Will Be Snowed Under. Declares Leader of Opposition---King's Tired of Broken Promises and Bad Roads---Two Hundred D. legates Present From All Over the County

Hampton, Feb. 15—At one of the largest, him chairman of such a large convention.

He was proud to see so many Liberals of the mod old county of Kings present. The proper enthusiastic and most harmonious He was proud to see so many Liberals of the good old county of Kings present. The meeting rather reminded him of nomination day proceedings, when men of both parties were present, so large was the assemblage. One thing that gratified him on the county in the parties were present, so large was the assemblage. One thing that gratified him particularly was to see the large number of new faces present. This he took to be proceed to the liberal party at the next of new faces present. This he took to be prickles, were chosen as the large number of new faces present. The process of the Liberal party has taken the lead in the large number of the progress of the Liberal party has taken the lead in the large number of the progress of the Liberal party has taken the lead in the large number of new faces present. The meeting rather reminded him of nomination and the large number of new faces present. The meeting rather reminded him of nomination and the large number of new faces present. Following the calling of the roll th chairman called for the nomination of candidates from the upper, lower and mid-dle section of the county. Mr. Freeze and Mr. Flewwelling were first put in nomina tion for the upper and middle sections after which the names of Mr. Gilbert, O. W. Wetmore, of Kingston, and the chair man were put forward for the lower section. Mr. Sharpe declined the nomination, and it was decided to put the names of the other two to the vote

Mr. Flewwelling.

In the meantime, however, those win had been selected were called upon fo speeches, The chairman introduced Councillor S. H. Flewwelling as one who had been twice warden of the county. Mr. sure whether he ought to thank thos present for getting him into trouble or not Up to a few hours before the convention he had not made up his mind about a cepting the honor if offered. Indeed, I had only come to the conclusion at 11.30, On that account he had not had much
