THE ACADIAN.

WOLFVILLE, N. S., JAN. 14, 1898.

Local and Provincial.

Get your taxes paid so as to be ready to vote at the civic elections.

The Rev. A. B. Higgins, B. A., of Canning, will preach in the Methodist church next Sunday evening.

The assessors have completed their labors and the roll is now ready for inspection at the office of the town clerk.

One of the daintiest calendars we have seen this season is that which has been furnished by the Wolfville Coal and Lumber Co.

The teachers and students of Horton Collegiate Academy are to give a reception in College Hall this evening, from 8 to 10 o'clock.

The Principal and teachers of Acadia Seminary will be at home on Monday afternoon, January seventeenth, from half past two to quarter of four.

The Christian Endeavor rally at Port Williams on Tuesday afternoon and evening was a successful affair. There was a large attendance of delegates and the meetings were of a most helpful nature.

At the meeting of the Municipal Council this week it was decided to sell the exhibition building and sheds at Kentville, at public auction. The sale will take place on Tuesday, February 1st, see adv. in another column.

Mr. F. W. Woodman gave a birthday party last Friday evening, on the occasion of the fourth birthday of her little daughter Fern. About thirty little ones were present and enjoyed themselves as only children can on such occasions.

We understand that Mr. O. D. Harris intends erecting in the spring a block to contain three stores on the lot just west of the store he now occupies. The site will be moved back and a street opened through to Acadia street.

WANTED.—At once, one pant and vest maker. Apply to J. A. McNeill.

Mr. E. L. Franklin has purchased from Mr. L. N. Cox that very desirable strip of land on Main street adjoining Mr. John C. Woodworth's property and lying between that and a proposed street which separates it from the property which he recently sold to St. Andrew's church. He will likely build himself a fine residence next summer.

The following are the officers of Wolfville Division for the current quarter:

E. W. P.—Miss Grace Patriquin

Our enterprising barber, Mr. J. M. Shaw, has added to the furnishing of his up-to-date establishment a new and elegant chair of the most modern pattern. We have no hesitation in saying it is equal to any in the province as there is no better made; and we doubt if any other shop in Nova Scotia has one equal to it. It is made of quartered oak, richly upholstered, and is operated by hydraulic power. We would advise all our friends to drop in and try it. We speak from experience when we say it is a luxury to be operated upon in it.

Local and Provincial.

Several cargoes of potatoes have been cleared from basin ports for Havana during the past week.

A very pretty and useful pocket calendar, issued by John P. Squire & Co., of Boston, has been handed to us.

The boiler and engines for the Lunenburg Marine railway passed through here last week over the D. A. R. The work on the railway will be commenced at once.

The schooner Hattie May arrived from New York yesterday with a cargo of coal for the Wolfville Coal and Lumber Co. She made a long passage, having left New York on the 15th of December.

Mr. Jeremiah Morine, of Gasperau, while chopping on the mountain last Saturday noticed some strange animal's tracks in the snow. Following this scent he came upon a den of racoons, and with the use of a club succeeded in despatching the three occupants.

Baptist Church Notes.

Rev. D. A. Steele, D. D., of Amherst, will preach in the Baptist church next Sunday morning and evening.

Rev. Dr. Sawyer is now conducting the Sacred Literature class in connection with the B. Y. R. U. on Tuesday evenings. It is considered a great privilege to have such a teacher.

A handsome new piano has recently been put in the Baptist vestry, which is used in the Sunday school and social services.

The B. Y. P. U. service of song on Sunday evenings is very enjoyable, being led by a large choir under the able leadership of Mr. Weeks, accompanied by piano, organ and violin.

The annual business meeting of the church was held a fortnight ago. The finances of the church were found to be in a flourishing condition, upwards of \$2000 having been raised for current expenses, and a substantial reduction made in the parsonage debt.

The Sunday school raised \$176 last year for missions, including Mr. J. W. Bane's annual donation of \$50.

Rev. President Trotter preached to large congregations last Sunday. His sermons were greatly appreciated and showed very clearly that he has not forgotten how to preach. It is to be regretted that his present duties prevent him from preaching here more frequently.

Burglary at Avonport.

The people of Avonport are considerably agitated over a series of burglaries in their midst, the latest and most daring of which was committed on last Saturday night. The thieves on this occasion broke into the cellar of Mr George Borden, from which they took his winter supply of pork and beef, some cider, beans, and a hammer. Breaking through two locked doors the robbers also entered his granary and secured for themselves a quantity of oats. Next morning a search of localities in the neighborhood were made, but no trace of the stolen goods was discovered. The Avonport people are determined, however, that the matter shall not drop here, but that the culprits and leave your measure and we will send you samples whenever you wish to get some clothes. We do only high-class work. The style and cut of our clothes are the very latest. Our prices are reasonable.
