

## FRASER'S RIVER DISTRICT, in BRITISH NORTH AMERICA. 9

My authority for issuing that proclamation, seeing that it refers to certain districts of continental America, which are not strictly speaking within the jurisdiction of this Government, may perhaps be called in question; but I trust that the motives which have influenced me on this occasion, and the fact of my being invested with the authority over the premises of the Hudson's Bay Company, and the only authority commissioned by Her Majesty within reach, will plead my excuse. Moreover, should Her Majesty's Government not deem it advisable to enforce the rights of the Crown, as set forth in the proclamation, it may be allowed to fall to the ground, and to become a mere dead letter.

If you think it expedient that I should visit the Couteau Mines in course of the coming spring or summer, for the purpose of enquiring into the state of the country, and authorize me to do so, if I can for a time conveniently leave this Colony, I freely place my services at the disposal of Her Majesty's Government.
