

Make Money in Your Own Home

We Supply Yarn Free and Pay You for Your Work.

The whole world needs socks. In every country, in every city, in every town and in every village—in every corner of the world, in fact—there is an acute shortage of hosiery.

This great demand is your personal opportunity. It is your chance to add substantially to your income. It is the weapon with which you can meet the constantly increasing high cost of living. You can make money pleasantly and easily in the privacy, freedom and comfort of your own home. This is an unusual advertisement, due to an unusual world-condition. We are a firmly established Canadian business firm engaged in the manufacture of high-grade seamless socks. Our business connections are world-wide. We have been in business many years.

We have always preferred home manufacture to factory production. We believe in the independent employee. We know that the best work is that which is done by well-paid contented people in happy homes.

These socks can be made by men and women. Knitting experience is unnecessary. The Auto Knitter, a marvellous machine, does the work. Anyone can quickly learn to operate this machine.

Workers Wanted Everywhere

For the reasons above stated—the unprecedented world-demand for hosiery—we need more workers—thousands of them. We need you.

We need all the socks you and your family can make on the Auto Knitter. We need this labor badly. We will make a contract to pay you a Fixed Wage on a piece-work basis. In this contract you take no risk. You can work for us as much as you want or as little as you want—spare time or full time. And for every dozen pairs of socks you send us, we will pay you a liberal wage.

With every Auto Knitter we send a supply of wool yarn FREE. We also supply, FREE, the yarn needed to replace that which is used in making the socks you send us.

The yarn we supply is made specially for the Auto Knitter. It is the softest and warmest, and uniformity in quality, weight and shade is always obtainable.

You are, of course, at liberty to dispose of the output of the Auto Knitter as you see fit, or to buy your own yarn; you can also use the Auto Knitter to make at a remarkably low cost all the hosiery your family needs—wool and cotton.

But please remember this: There are absolutely no strings tied to our Wage Agreement; it is a straight, out-and-out Employment Offer of a Fixed Wage on a piece-work basis—a good pay for your services alone.

The Auto-Knitter is the most modern development of the hand knitting machine. It embodies many exclusive improvements, as worked out by us in our own factory. We are manufacturers of the Auto-Knitter, our machines are fully guaranteed. In doing business with us you are dealing with a responsible manufacturing firm, so we could not afford to make, and do not make, any claim for the Auto-Knitter that is not amply borne out by facts.

Positively Not "a Canvassing Scheme"

The Auto Knitter gives you the opportunity to make money during your spare time. It also gives you a chance to devote your entire time to the business, and this—to be independent of bosses, rules, time clocks, working hours, etc. Our Wage Contract is in no sense a disguised "canvassing scheme," "agency," or "open-a-store" proposition. Here is the proof—read the evidence from some of our workers.

OPERATED BY BLIND WOMEN
I have now been using three of your machines, and they give good results. With a little patience at the start, I have succeeded in doing good work, which has always been accepted by you. You may be surprised to know that some of my work has been done by blind women, and it is impossible to recognise their work from mine. I am pleased with the business dealings I have had with you and hope that future dealings will be just as cordial as they have been in the past.

NOT A SINGLE PAIR REJECTED
It is not only profitable, but helps to pass many a dull hour away. I can knit two pairs of half-hose in an hour, which I think is good. The machine is what you claim it to be and does its work right, and being so small takes up but little room. Of the socks I have sent, I have not had a single pair rejected, which is clear evidence that the machine can turn out good work.
