Our favorite excuses for not being in Viewpoint.

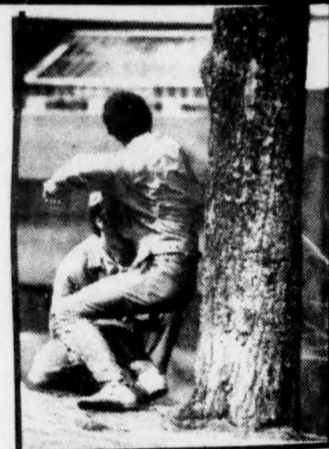

We're not intelligent enough to have a viewpoint.

We're thinking, we're thinking.

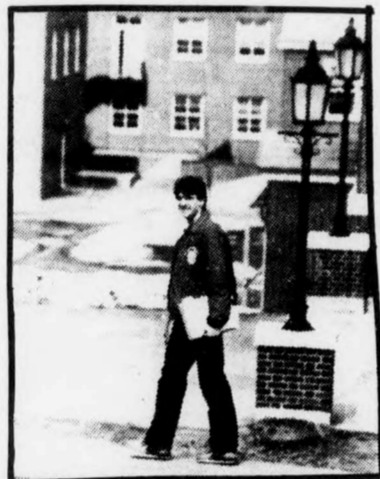

It's too bizarre.

We're too busy trying to close a deal.

I've got a test.

I have a class at 2:30

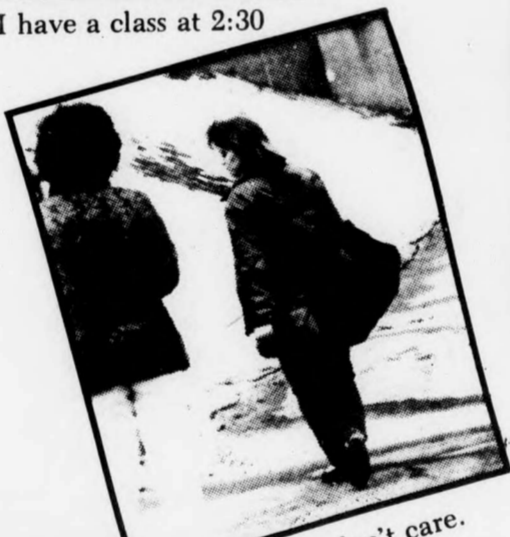

I'm too ugly.

I'm too cool to be in Viewpoint.

Mother!!

We really don't care.

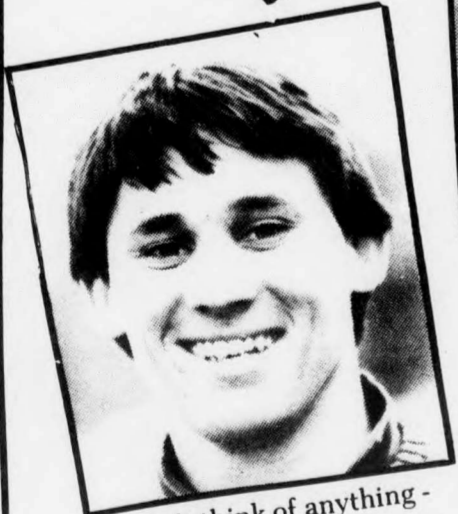

Not a chance in hell!

F. O. A. D.!

My hair looks terrible.

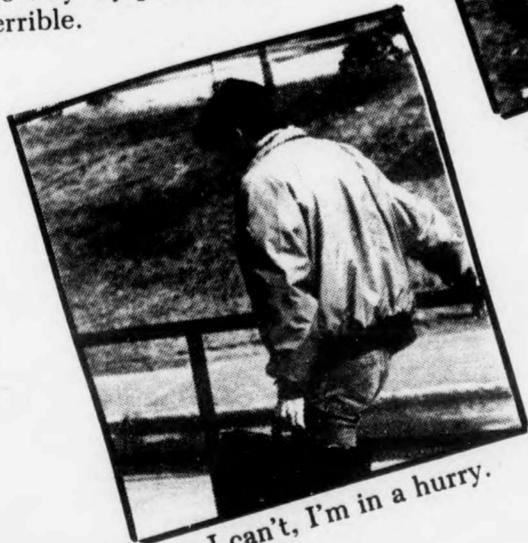

I can't think of anything - for once.

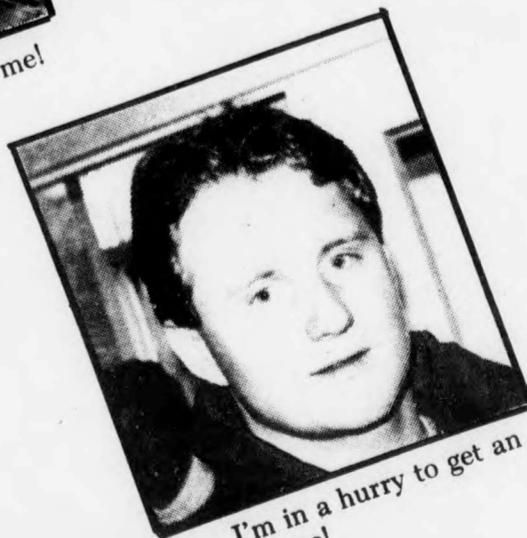

No way my picture looks terrible.

Oh nol Please not me!

I can't, I'm in a hurry.

I'm in a hurry to get an Alpine!
