

DSU profile

Name: Katherine Hannah
DSU Position: Vice President
Salary: \$18,000
Hometown: Toronto, Ontario
Program: Political Science
Course load: four courses, expecting to graduate this year
What is your job?

The four S's: SUB, staff, security, and societies. I'm the head of staff, and responsible for the smooth running of the student union building. I'm the co-ordinator for all the societies, and responsible for the Tiger Patrol and Shuttle bus, and I sit on a number of committees as well.

Why did you run?

I was very interested in student government, and I had a lot of ideas.

I want to make people happy and proud of their school.

Is the job what you expected?

Yes and no. I understood the scope of the position, but you can't really appreciate the work until you're in. I'm doing twelve different things in a day. I've really learned some time management skills.

What are your greatest achievements and disappointments?

Well, the new computer lab [in the SUB], that was a campaign promise. We've filled five campaign promises in four and a half months. Getting to know everybody, and meeting people in all the different societies. I'm really happy to find out how much the DSU can help

people, like societies and charities. I don't have any real disappointments really, but I do want campus to be more involved.

Would you like a second term?

Hopefully I'll be in law school next year, so no.

The First Wives Club Movie Contest

These three first wives — Bette, Goldie, and Diane — are sneaking around corners and watching their backs. They're "exacting bitter vengeance on their ex-husbands." Watch out. If you can tell someone in the Gazette (SUB 312) what the last names of these three actresses are, then you might win one of five passes to the movie. It's for tonight, Thursday the 19th, at 7:00 p.m. so get here quickly. If we're out of passes, you can have a handy-dandy, Official First Wives Club Emery Board.
