ERRATUM

The audited financial statements of the York Student Federation for the year ended 31 December 1972 were published in the 11 October edition of EXCALIBUR on page six. Unfortunately, the balance sheet which was supplied to the newspaper contained certain typographical errors, as follows:

The item "cash on hand in bank" should read "cash on hand and in bank", and should begin at the same margin as the two items appearing immediately below.

The \$3,392 appearing on the same line as "accounts receivable - University grant" should properly appear one line below as "accounts receivable".

The figure \$39 reported as balance of "accounts receivable" should read \$139.

Also omitted from the material supplied was reference to the fact that the audit was conducted by the Internal Audit Department of York University. The following signatures should appear at the bottom of the page: "C. Deschamps and L.C. Sloss, Financial Systems and Audit, York University".

Further information on these statements may be obtained from the C.Y.S.F. Office, Room N111 Ross Building (667-2515).
