

a contribution towards the rebuilding of St. John's Church, is reconsidered by the Council. The Rev. A. Anthony, being present, he related the circumstances in reference to this Church.

It was erected many years ago on the Reserve of Mondak, on the North side of the Grand River, but for of the Six Nations being now there, and other churches having been built in the Reserve of Tuscarora, St. John's was closed; he Mr Anthony, determined, it should be saved from decay, and, if possible, restored and rendered of further use.

With volunteer labour, they had taken the spire and frame down, brought all across the River, and carried to the site selected, the North West corner of N<sup>o</sup> 12. S. Con. Tuscarora, where it now is. He has the promise of more labour, but, requires money, about One thousand dollars, to
