347 Bay St. Toronto,
February 3, 1936.

Dear Senator:

I am taking the liberty of introducing to you by this letter Mr. W. G. Clarke of Toronto. Mr. Clarke has taken over the post of Manager of Mutual Benefit Health and Accident Association and is going down to Halifax for the purpose of organizing his Company's work in Nova Scotia. I have known Mr. Clarke for many years and also his relatives in Toronto, and have very great pleasure indeed in commending him to you. I don't know that he has anything special to ask but it will be of benefit to him to meet some of the men who come from your Province.

With very kindest regards,

Yours sincerely,

Hon. Senator W. H. Dennis,
