Hubbards Report

Thavens 1R Spruce 2,615,000
In Cedar but a small amt of Hemlock and some Cottonwood
of little value

Elseret - Spruce 1,292,000
little other varieties killed
at 2.50 per M the value is \$9,767.50

at 2.25 per M. = \$8,790.75-

would recommend this.

offer of 7,500 cannot be recommended as it is based on
a per M value of slightly over \$1.92 per M.
