J.L. Blondeau, Esq.,
Inspector Air Regulations
Dept. of Transport

Dear Sir,-

I purchased the aircraft Piper Cub J3-A65 Registration
CF-BRR from Mr. Jos. Bacon, on Dec. 28, and the next day while repairing
the aircraft, the latter took fire and was completely destroyed at about
3 o'clock in the afternoon at the Base of Mr. Bill Hall Air Service, on
Lake Blouin.

Will you be good enough to advise me if you require any
further details.

I remain,

Yours, etc.

*C.A.R. The fire can definitely be
attributed to the negligence
of Mr. Demers which he
calls "costly experience"*
