

## PARALYSIS YIELDS TO DR. WILLIAMS' PINK PILLS.

MANY FORMS OF THIS DREAD DISEASE ARE CURED BY  
THIS REMEDY.

Mrs. Ritchie of Galt, Ont., Says She Believes it Saved Her Life—  
Doctors Said She Had Not Long to Live When She Began  
This Treatment—Read Her Grateful Statement.

Scarcely a day passes but fresh proof is offered of the wonderful power of Dr. Williams' Pink Pills over diseases. In many of these cases relief and new health comes to the sufferer after the best efforts of medical men had been in vain. One such case is that of Mrs. D. M. Ritchie of Galt, Ont., who writes:—"I feel it my duty to let other people know what Dr. Williams' Pink Pills have done for me. I was taken sick first in May 1910 with rheumatism. Treatment at home having failed me I went to Grace Hospital, Detroit, where I remained for some weeks, but instead of improving I became absolutely helpless, as if from paralysis, and could not move hand or foot. I was under the heavy expense of a special nurse, and the best of medical treatment, but seemed to be growing worse. Finally about the middle of July my husband decided to bring me home to Galt, where I remained under medical treatment, and with a nurse constantly attending me until October, when I took a further turn for the worse. Then the doctor told my husband that it was only a matter of a few weeks, as I could not possibly get better. Up to this time over six hundred dollars had been spent for medical and hospital treatment. In this condition, with hope abandoned, my husband saw a testimonial in a local paper of a cure of paralysis through the use of Dr. Williams' Pink Pills, and I decided at once to try them. In a few weeks there was a little improvement, and from that time on each day showed some change for the better. I can now (March 1911) walk all about the house, do up my room, wash the dishes, and sew and mend, but am still a little shaky, but am looking for the fullest cure, as I feel myself growing stronger daily. I give the full credit to Dr. Williams' Pink Pills, for I feel they are an instrument under Providence given for the benefit of suffering humanity."

Writing again under the date of August 16th, 1911, Mrs. Ritchie says:—"As to my general health I can say that I have not felt so well in years. My stomach is in the best of condition and I can eat things I had not eaten for years. I can walk quite well, but use my cane when I go out, as I have not quite confidence in myself yet. But if you had seen me when I started to take Dr. Williams' Pink Pills, you would realize what a miracle they have worked in my case. All that I have stated is absolutely true, and I may add that the Pills have cured my husband of kidney trouble that other medicine seemed to have no effect upon, for which we are both thankful."
