SPECIAL CASE.

The Province of Ontario claims that the westerly boundary of that Province is either (1) the meridian of the most north-westerly angle of the Lake of the Woods, as described in a certain Award made on 3rd August, 1878, by the Honourable Chief Justice Harrison, Sir Edward Thornton and Sir Francis Hincks, or (2) is a line west of that point.

Special Case—
Ontario and
Manitoba.

The Province of Manitoba claims that the boundary between that Province and the Province of Ontario is (1) the meridian of the confluence of the Ohio and Mississippi Rivers, or (2) is that portion of the height of land, dividing the waters which flow into Hudson's Bay from those which empty into the valley of the great lakes, and lying to the west of the said meridian line.

It has been agreed to refer the matter to the Judicial Committee of Her Majesty's Privy Council, and an Appendix has been prepared containing the materials agreed to be submitted with this case for the adjudication of the dispute. Each and every of the particulars in the said Appendix is submitted *quantum valeat* and not otherwise.

In addition to the particulars set forth in the Appendix, any historical or other matter may be adduced which in the opinion of either party may be of importance to the contention of such party;
