Hymn

Though troubles assail, and dangers affright..	275
Though in the outward church below.....	278
Through tribulation deep.....	280
To-day, if you will hear his voice	293
That awful day will surely come.....	307
Together let us sweetly live.....	317
There is an hour divinely blest	320

Unveil thy bosom, faithful tomb	182
---------------------------------------	-----

Vain man, thy fond pursuits forbear	179
---	-----

When this passing world is done.....	3
Weeping will not save me	16
We've 'listed for the holy war	26
What is the manner of God's love?.....	34
When I survey the wondrous cross.....	43
We must all speak for Jesus.....	47
With melting heart and weeping eyes	69
What various hind'rances we meet.....	72
What vessel are you sailing in?	81
Where'er we meet, you always say	82
Where shall my wondering soul begin.....	87
What are these array'd in white?.....	97
We sing of the realms of the blest	103
We are waiting by the river	109
Wherewith, O, God, shall I draw near	115
When marshall'd on the nightly plain	128
What heavenly music do I hear	130
While Sinai roars, and round the earth.....	155
When fancy spreads her boldest wings	157
What is the thing of greatest price	169
What shall we ask of God in prayer	173
What various hindrances we meet.....	187
What am I, O, thou glorious God.....	188
When all Thy mercies, O, my God	233
Who can describe the joys that rise.....	235
With joy we meditate the grace	240
Who in the Lord confide	245
Whither goest thou, pilgrim stranger	260
When on Sinai's top I see	276
We're traveling home to heaven above	285
