These are photographic cuts of a set of three which have been prepared to assist Missionary Societies. The Charts are 29 x 42 inches in size and are printed on good muslin, so boldly that they can be readily seen in any ordinary auditorium. By their use a speaker can put the main facts about Missions before an audience more quickly and more forcibly than is otherwise possible. Every Congregation should have a set of these charts for use in the various Missionary meetings. They may be secured, post-paid, for \$1.00 from the Laymen's Missionary Movement, Confederation Life Building, Toronto, or 1 Madison Ave., New York.
