| <i>(c) Performance of the different Methods</i>                            | 332 |
| <i>(d) Methods of obtaining useful Stumps</i>                              | 335 |
| <i>(e) Amputations of the Foot</i>   | 342 |
| 37. Removal of the Toes and Individual Metatarsal Bones                    | 342 |
| 38. Disarticulation of all the Toes (Metatarso-phalangeal Disarticulation) | 342 |
| 39. Amputation through the Metatarsus                                      | 343 |
| 40. Disarticulation at the Tarsometatarsal Joints (Lisfranc)               | 343 |
| 41. Anterior Intertarsal Disarticulation                                   | 344 |
| <i>(f) Amputations of the Leg</i>  | 350 |
| 48. Amputations of the Leg   | 350 |
| <i>(h) Amputations at the Knee</i>   | 355 |
| 49. Disarticulation at the Knee  | 356 |
| <i>(i) Amputations through the Thigh</i>                                   | 357 |
| 50. Amputation of the Femur through the Condyles (Carden and Buchanan)     | 359 |
| 51. Osteoplastic Amputation of the Femur through the Condyles (Ssabanejew) | 360 |
| 52. Supracondyloid Amputation  | 361 |
| 53. Osteoplastic Supracondyloid Amputation of the Thigh (Gritti)           | 361 |
| <i>(k) Amputation of the Hand and Fingers</i>                              | 371 |
| 58. Amputation and Disarticulation of the Fingers                          | 371 |
| <i>(l) Amputation of the Arm</i>   | 373 |
| 60. Amputation of the Forearm  | 373 |
| 61. Disarticulation at the Elbow-joint                                     | 373 |
| 62. Amputation through the Upper Arm                                       | 374 |
| 42. Posterior Intertarsal Disarticulation (Chopart)                        | 345 |
| 43. Intertarsal Amputation   | 346 |
| 44. Subastragaloïd Disarticulation   | 346 |
| 45. Subastragaloïd Osteoplastic Amputation                                 | 346 |
| 46. Disarticulation at the Ankle-joint (Syme)                              | 347 |
| 47. Osteoplastic Amputation of the Foot (Pirogoff)                         | 348 |
|  | 350 |
|  | 355 |
|  | 357 |
| 54. Amputation through the Middle of the Thigh                             | 362 |
| 55. High Amputation of the Thigh   | 363 |
| 56. Disarticulation at the Hip   | 363 |
| 57. Amputation of the Pelvis and Interilio-abdominal Disarticulation       | 367 |
|  | 371 |
| 59. Disarticulation at the Wrist-joint                                     | 373 |
|  | 373 |
| 63. Disarticulation at the Shoulder  | 376 |
| 64. Interscapulo-thoracic Amputation                                       | 379 |
