

## MONTHLY NOTES.

The annual Sunday School Festival was held in the Crypt on Thursday evening, 6th January, when prizes were presented, and gifts from a Christmas tree, after which Mrs. Jarley (Miss Marion Chadwick), with her assistants, treated the children to an exhibition of her world-famed waxworks, which, it is needless to say, was to many of them a novel entertainment, and one which they all seemed to enjoy thoroughly, as did also the seniors, many of whom were present. We have not space to describe the figures presented, nor could we do so without mentioning every performer, for all were extremely well made up and performed their parts capitally.
