

TOWN OF PORT ARTHUR PROVINCE OF ONTARIO.

WATER WORKS AND SEWERAGE WORKS

Sealed tenders will be received by the Town Clerk until 8 p. m. on THURSDAY, JULY 30th, 1903, for the following works:—

Contract "A," Sec. (2), labor on pipelaying.
Contract "A," Sec. (3), labor on force main.
Contract "C," Sec. (1), steel water tower.
Contract "G," electric power pumps.
Plans and specifications will not be sent out to prospective bidders but they may be examined at the office of the Town Clerk, or at the office of the Chief Engineer, Toronto. No tender necessarily accepted.

JAS. McTEIGUE, Esq., Town Clerk,
Port Arthur, Ont.
WILLIS CHIPMAN, C. E., Chief Engineer,
103 Bay Street, Toronto, Ont.

CONTRACTS OPEN.

BRANTFORD, ONT.—The American Seeding Co., of Springfield, Ohio, have decided to establish a factory here.

OSHAWA, ONT.—Thomas Morris, town clerk, want bids by 25th inst. for purchase of \$3,000 4½ per cent. debentures.

ST. ADELE, QUE.—S. G. Rolland is about to build a paper mill at this place to manufacture the lower grades of paper.

LACHINE, QUE.—The Canadian Radiator Co., of Port Hope, have purchased a site here on which to build a factory.

CARLETON PLACE, ONT.—It is understood that the estimated cost of waterworks and sewerage systems is about \$165,000.

WALKERTON, ONT.—Mr. Sawyer, who is interested in the project to build an electric railway in this vicinity, was in town last week.

LINDSAY, ONT.—J. R. McNeillie, county clerk, wants offers by August 15th for an industrial farm on which a house of refuse is to be erected.

ETHEL, ONT.—Tenders wanted by John McIntosh up to Monday, August 10th, for the construction of Lamont drain, estimated cost about \$6,000.

BROCKVILLE, ONT.—Plans are being made for a brick livery stable to be built on Home street for R. W. Copeland.

SYDENHAM, ONT.—R. J. Spoor wants tenders by 28th inst. for mason and carpenter work and painting in connection with repairs to High School.

PERTH, ONT.—Voting took place Monday last on by-law to raise \$30,000 for construction of sewerage system; result not learned at time of going to press.

NIAGARA FALLS, ONT.—The Empire Metallic Furniture Co. and the Niagara Falls Machine & Foundry Co. both contemplate extending their works.

LISTOWEL, ONT.—Bids will be received by William Bright, town clerk, up to 27th inst. for construction of a system of waterworks. Plans by W. M. Davis, C. E., of Berlin.

KINGSTON, ONT.—Theodore C. Miller, of New York, agent for the American Rare Metals Co., has made a deposit to close the deal for the purchase of a site for a smelter.

ST. JOHN, N. B.—H. H. Mott, architect, has completed plans for the Canadian Drill Co.'s new building on Mill

street, to be 80 x 50 feet, three-stories, of brick, with red stone facings.—The city engineer has been instructed to call for tenders for superstructure of No. 4 warehouse at Sand Point, 360x70 feet and two storeys high.

SHERBROOKE, QUE.—The city council have finally agreed to grant to the government a site on Strathcona square for the purpose of building a new court house.

GANANOQUE, ONT.—Dr. T. S. Phiips, acting for C. C. Mead and H. R. Hoffeld, of Buffalo, has purchased two islands near Westminster Park, which will be improved by the building of docks and cottages.

OTTAWA EAST, ONT.—Bids received by R. M. Sanders, reeve, up to 7 p. m. to-day (Wednesday) for earth excavation, refilling and pipe laying and for the necessary vitrified clay pipe and junctions for sewerage system.

BRAMPTON, ONT.—It is the intention of the Dale Estate to erect an office building at an early date.—It is understood to be the intention to build a manse adjoining the Presbyterian church, although the work is not likely to be undertaken this year.

RED DEER, N. W. T.—Tenders close Tuesday, August 4th, for erection of court house here for Dominion government. Plans at the land office, at office of Paul Paradis, resident engineer, Calgary, and at the Department of Public Works, Ottawa.

PORT ARTHUR, ONT.—The preliminary plans for the terminal elevator to be built here by the Canadian Northern Railway show one of the largest structures of the kind ever erected. It is expected that work will be commenced this summer.
