

charter for a steam or electric railway from Chicoutimi to Regale Bay or Hamilton Inlet.

KIMBERLEY, ONT.—The citizens have formed the East Grey Telephone Company, to establish a telephone system between Thornbury and Markdale, and connecting Ravenna, Kolapore, Duncan and Heathcote.

CANSO, N.S.—Wardell & Hedrick, Kansas City, Mo., have been instructed by the Strait of Canso Bridge Co. to prepare working plans for proposed cantilever bridge across the Canso Strait; estimated cost, \$5,000,000.

STE. CUNEGONDE, QUE.—J. P. Veber, City Clerk, will receive tenders up to April 9th for erection of a municipal building. Plans at office of C. Dufort and Alphonse Piche, architects, 214 St. James street, Montreal.

TORONTO JUNCTION, ONT.—The Public School Board have finally decided to build an addition to the Western Avenue school, cost \$9,000.—Tenders will shortly be invited for addition to St. John's church.

STRATFORD, ONT.—Tenders are now being invited for new buildings to be built by the Avon Knitting Company, to be 38 by 71 feet, three stories, white brick, gravel roof, steam heating, and equipped for electric power.

WINDSOR, ONT.—The tenders for new city hall being above the appropriation, the project may be abandoned for the present.—The new buildings to be erected by the Standard Paint & Varnish Company will cost \$40,000.

WALKERTON, ONT.—The Walkerton & Lucknow Railway Company has been formed to construct a railway connecting Walkerton, Lucknow and Hanover. The promoters include Alexander Shaw, L. C. Benton and J. H. Scott, of this town.

NANAIMO, B.C.—The Dominion Government are asking for tenders up to

April 12th for erection of addition to post-office here. Plans at post-office, at office of William Henderson, Clerk of Works, Victoria, and at the Department of Public Works, Ottawa.

COLLINGWOOD, ONT.—A Minneapolis firm has prepared plans for the new elevator to be built here by a company now in process of formation. The building will be of cement and steel and consist of 18 circular bins 30 feet in diameter, 90 feet high, with a steel cupola 65 feet high.

STRATHROY, ONT.—Plans have been completed of the new Roman Catholic church to be built here this summer. Particulars from Rev. Father Tobin.—The Town Council will submit a by-law to the ratepayers to provide

\$10,000 for improvements to the electric light plant.

BRANDON, MAN.—The City Engineer is working on a scheme for a large trunk sewer.—W. R. Marshall, architect, has prepared plans for a \$12,000 clubhouse for the Brandon Club.—W. H. Shillinglaw, architect, has made plans for a residence for R. J. Campbell, also for
