STURDY FENCES

Every farmer needs strong, dependable, reliable, sturdy, permanent fences. Fences that will stand any farm strain. Fences that do not need repairs and will last a lifetime. Such fences can be built by using

BURLINGTON STEEL FENCE POSTS

Made of high carbon steel, rust resisting, extra heavy and coated with rust-proof paint, they will not bend, break nor burn.

They can be driven into the ground in less than a minute. They will not heave. There are no holes in the post to weaken it. The wire is fastened to the posts with clips. Thousands of these posts are giving satisfactory service. For sale by hardware, fence and implement dealers or direct from the factory. Immediate shipment.
