

## The Army of Health.

### THE ARMY IN THE PHILIPPINES INSIGNIFICANT COMPARED WITH THIS ONE.

If all the people in the United States, Canada and Great Britain who make daily use of Stuart's Dyspepsia Tablets could be assembled together it would make an army that would outnumber our army of one hundred thousand by at least five to one.

Men and women who are broken down in health are only a part of the thousands who use this popular preparation; the greater number are people who are in fair health, but who know that the way to keep well is to keep the digestion perfect and use Stuart's Tablets as regularly as meal time comes to insure good digestion and proper assimilation of food.

Prevention is always better than cure, and disease can find no foothold if the digestion is kept in good working order by the daily use of Stuart's Dyspepsia Tablets.

Mr. Thomas Seale, Mayfield, Calif., says: "Have used and recommended Stuart's Tablets because there is nothing like them to keep the stomach right."

Miss Lelia Dively, 4627 Plummer St., Pittsburg, Pa., writes: "I wish everyone to know how grateful I am for Stuart's Dyspepsia Tablets. I suffered for a long time and did not know what ailed me. I lost flesh right along until one day I noticed an advertisement of these tablets and immediately bought a 50-cent box at the drug store. I am only on the second box and am gaining in flesh and color. I have at last found something that has reached my ailment."

From Mrs. Del. Eldred, Sun Prairie, Wis.: "I was taken dizzy very suddenly during the hot weather of the past summer. After ten days of constant dizziness I went to our local physician, who said my liver was torpid and I had overheated my blood; he doctored me for two weeks without much improvement. I finally thought of Stuart's Dyspepsia Tablets (which I had used long before for various bad feelings), and the first three tablets helped me. They are easily the best all 'round family medicine I ever used."

The army of people who take Stuart's Tablets are mostly people in good health, and who keep well by taking them regularly after meals. They contain no opiates, cocaine or any cathartic or injurious drugs, simply the natural peptones and digestives which every weak stomach lacks.

Stuart's Dyspepsia Tablets are sold by druggists everywhere in United States, Canada and Great Britain—Advt. om

## GOSSIP.

OFFICIAL RECORDS OF HOLSTEIN-FRIESIAN COWS FOR NOVEMBER AND DECEMBER, 1900.

This class of records are made uniformly, under supervision of State Experiment Stations, at the homes of the owners of the cows. They are for seven consecutive days, and the fat is determined by the Babcock test. The equivalents of butter are calculated by the Superintendent of Advanced Registry from reports sent to him from these stations. Eight reports were received in November and eighteen in December. The largest record of butter-fat is 18.441 lbs., equivalent to 23 lbs. 0.8 oz. butter at 80 per cent., or 21 lbs. 3.2 oz. at 85.7 per cent. fat to the pound. Summarized, these tests show the following results: Nine full-age cows, average 7 years 8 months 10 days, 32 days after calving, butter-fat 14.033, equivalent butter 80 per cent. fat 17 lbs. 8.6 ozs., equivalent 85.7 per cent. fat 16 lbs. 5.9 ozs.; five four-year-olds, average 4 years 5 months 14 days, 17 days after calving, butter-fat 12.938 lbs., equivalent butter 80 per cent. fat 16 lbs. 2.8 ozs., equivalent 85.7 per cent. fat 15 lbs. 1.5 ozs.; four three-year-olds, average 3 years 4 months 15 days, 28 days after calving, milk 349 lbs., butter-fat 11.678 lbs., equivalent butter 80 per cent. fat 14 lbs. 9.6 ozs., equivalent 85.7 per cent. fat 13 lbs. 10 ozs.; eight classed as two-year-olds, average 2 years 5 months 4 days, 41 days after calving, milk 273.1 lbs., butter-fat 8.674 lbs., equivalent butter 80 per cent. fat 10 lbs. 15.5 ozs., equivalent 85.7 per cent. fat 10 lbs. 1.9 ozs.

Frost & Wood's Extension. - The enterprising firm of Messrs. Frost & Wood, of Smith's Falls, Ont., commenced extension of their commodious shops in 1899 by erecting a large warehouse, 68x140, four stories high. They have just now completed other extensive buildings—a new blacksmith shop, 75x110, with extension 50x75 for plow shop; one entirely new building, three stories, 60x160, ground floor for machine shop, second story for carpenter shop, and third floor for paint shop. An addition of 80x160 feet was also made to the moulding shop. This looks like being ready for the new century with its demands for high-class farm machinery.
