

NOTICE THE TEETH

In considering the purchase of a Spring-Tooth Cultivator notice the Teeth very carefully. They are one of the most important parts of this kind of an implement. It depends upon the Teeth as to how well it does its work. See that they are of proper length, proper shape and temper; that the points are reversible, for that means double value to you. Next see that the Frame is simple and strongly built of steel and malleable iron so that it will stand the strain and wear well. Ask our agent about a

FROST & WOOD "CHAMPION" SPRING TOOTH CULTIVATOR

and you will see a machine that embodies all these good points. He will tell you that the Teeth are tempered in oil and tested; that they are made of Crucible Spring Steel, and the reversible points are an especial advantage as when one becomes worn by hard, stony ground it can instantly be reversed, and you have a new sharp point. Teeth can be spread or taken off when used for corn or root crop cultivation. It is an implement that gives perfect satisfaction because it does perfect work and stands rough wear. Our Free Catalog F-56 gives more good points. Write for it, or get it from our nearest agent.

The FROST & WOOD CO., (Ltd.), Smith's Falls, Can.

VANCO LEAD ARSENATE

Made in Canada

Destroys All Leaf-Eating Insects

"VANCO" Lead Arsenate will kill 95% of Codling moths where Paris Green at its best will not kill over 75%.

For potato bugs it is far surer than Paris Green, and sticks to the vines much longer, especially in rainy weather.

"VANCO" Lead Arsenate contains 15% to 16% Arsenic Oxide and not over 40% moisture average. It is made by expert chemists and the quality is absolutely reliable. It never fails to kill the insects, and never burns the foliage.

Because we make it right here in Canada, in large and well-equipped laboratories, we are able to offer you "VANCO" Lead Arsenate at very favorable prices. Compare these with what others are asking.

In 500 lb. barrels, .10c. per lb. In 100 lb. kegs, .11c. per lb.
" 50 " " .112c. " " 25 " " .12c. "
In 124 lb. pails, .13c. per lb.

In "VANCO" Brand you get High Quality at Lowest Price. We ask for business not on promises, but on records of Government Analyses and practical tests.

Canadian Potato Machinery Co., Ltd. Galt, Ont.

GOSSIP.

J. H. Patrick, Elderton, Ont., writes: "On April 16th I shipped to our Western branch stables, situated at Kagesville, Utah, two carloads of very choice Clydesdale stallions, all Canadian-bred, and purchased through my advertisement in "The Farmer's Advocate." Sir Marcus, as usual, is attracting a great deal of attention among the stockmen of Utah, and should help to make a great market for the Clydes of this country in the near future.

Robt. Ness & Son, of Howick, Que., report a most successful season's business in Clydesdales. Of their two large importations in 1909, all are sold, and Robt. Ness, Sr., and R. R. Ness are now in Scotland looking up a new importation of Clydesdales and Ayrshires. They are expected home shortly, and anyone wanting the cream of either breed should make a note of it, as first selection is generally most satisfactory.

AYRSHIRES AT KILMARNOCK.

The display of Ayrshire cattle at the Kilmarnock, Scotland, Spring Show, was an extra-strong one. In the class for cows in milk, the first prize fell to John McAlister, for a home-bred cow, by Sir John, with a particularly good udder. Last year's champion, belonging to John Murray, Cumnock, a low-bodied cow, got by Flora's Chief, and carrying a long udder, with large and squarely-set teats, was second. There was a very strong show in the class for cows in calf, and here, again, Mr. McAlister was first, with another daughter of Sir John, second award going to John Drennan for perhaps the best dairy cow on the ground. James Neil, Horiford, had a close third. The Derby class for three-year-olds brought out over a score of entries, a compact, level lot. Alex. Hunter, Craigie, was placed first, with Ross, brown and white, got by Duke of Foulton, out of a Flora's Chief cow. At the Craigie Show the previous week, this cow took first in her class. Robt. Woodburn followed in second place with a get of Barrowness Campfollower.

John McAlister again provided the winner in the class for dairy cows, three years and upwards, bred and reared by exhibitor, with his first-prize aged cow in calf. He was also second with the winning aged cow in milk. In a good class of three-year-olds in calf, James Neil had first and third, an evenly-matched pair.

In the two-year-old heifer class Jas. Howie supplied an outstanding winner in Hillhouse Creampot, a Netherland-bred heifer, by Robin Hood. This is one of the best specimens exhibited for some time. She is an extra-level and well-balanced heifer, full of quality and style. Robt. Osborne's entry, which beat her at the Highland Show last year, was second here. Her sire was the famous Peter Pan, and she is a select heifer, brought out in grand condition.

The yearling heifers were a choice, level lot, and Thos. Barr, Monkton, was placed first, with a stylish, sweet heifer, the Morton Mains herd of Mr. Osborne taking second with a lengthy, big heifer, and James Seaton third, with an excellent entry.

The championship for the best female of the breed went to James Howie's first-prize two-year-old heifer, Hillhouse Creampot.

In the aged bull class, Hugh H. Allan, Thornhill, was first, with Peter Pan; Thos. Barr was second. Two-year-old bulls were a large and strong class, and Robt. Osborne was first, with a well-made bull of much substance. Thos. Barr was second, and Jas. Howie third. Yearling bulls were the best class in the male section. John Cochrane was first with Cariso, a big, strong, thick bull, bred at Auchenbrae, and sired by the good breeding bull, Crusader. A close second was provided by Jas. Howie, in a very level, sweet son of Spicy Sam, and Mr. Osborne had third honors with a stylish bull. The Champion Cup for the best male animal went to John Cochrane, for his first-prize yearling bull, Cariso, the reserve being Mr. Osborne's best prize two-year-old.

Suffered From Her Terrible Pains From Her Kidneys For Nine Months.

For Backache, Lame or Weak Back— one of the commonest and most distressing symptoms of kidney inaction, there is no remedy equal to Doan's Kidney Pills for taking out the stitches, twinges and twinges, limbering up the stiff back, and giving perfect comfort.

A medicine that strengthens the kidneys so that they are enabled to extract the poisonous uric acid from the blood and prevent the chief cause of Rheumatism.

Mr. Dougald A. McLesao, Broad Cove Banks, N.S., writes:—"I was troubled with my kidneys for nine months, and suffered with such terrible pains across the small of my back all the time that I could hardly get around. After taking two boxes of Doan's Kidney Pills I began to feel better, and by the time I had taken three I was completely cured."

Price 50 cents per box, or 3 for \$1.25, all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering specify "Doan's."

Her—Will you please shut the door?
Him—I've tried to, but it won't stay closed.

Her—It will if it is closed from the outside.

LAY FOR WEEKS AT DEATH'S DOOR

But Dodd's Kidney Pills Cured
Mrs. Thompson's Dropsy.

It started with Backache and grew worse till the doctor said she must die.

Holt, Ont., May 9.—(Special.)—All the countryside here is ringing with the wonderful cure of Mrs. Samuel Thompson, who lay at the point of death for weeks, swollen with dropsy so that the doctor five different times decided to tap her, but desisted because, as her husband said, "It might be better to let her die in peace." After the doctor had given her up, Dodd's Kidney Pills cured her.

Mrs. Thompson's terrible trouble started with pain in the back. She grew worse and the doctor treated her for jaundice for eight weeks. Then her feet and legs began to swell, and it was realized that Dropsy was the trouble. For seven months she suffered. The doctor said there was no hope; she must die.

As a last resort, Dodd's Kidney Pills were tried. The improvement was slow, but gradually her strength came back. Today Mrs. Thompson is a well woman. She says, and the countryside knows, she owes her life to Dodd's Kidney Pills.

If the disease is of the Kidneys, or from the Kidneys, Dodd's Kidney Pills will cure it.
