The time sheets tell the story, but---are they accurate?

This is a vital question in every industrial organization, large or small—vital because it eats into the profits. Solve it and you have eliminated the greatest adverse factor to the successful operation of your plant. Neglect it and an ever-increasing overhead expense will be the result.

Eliminate all this inaccuracy with an

## International Time Recorder

Not only does it give you an accurate, legible and unchangeable record of your pay-roll data, but it also cuts down to a minimum the time needed to make up that data.
