

Scene in the Haley Mills showing Goodyear Extra Power Belting in use.

ANOTHER CONVERT:

HALEY & SON, Lumber Merchants.

Gentlemen,—

We want to tell you about the Goodyear Extra Power Rubber Belting we bought for our new mill two years ago, and what great satisfaction this Belting has given us. As you are aware, we bought this kind of belting from you for the equipment of our mill *THROUGHOUT*, even to planers and matchers. We were skeptical at the time about using this belting on our matchers, especially on the side heads, as that is a very trying place for any kind of a belt. We concluded we would try your rubber belting, as we thought then, as a make-shift. Now it has been something over two years since we belted up our matchers with your belting and the original belts are yet on these machines and still giving good service. We thought where this belting of yours had proved so eminently satisfactory that we should tell you just as we thought about it, and you know we are giving you this testimonial of Goodyear Extra Power Rubber Belting entirely at our own initiative.

Yours truly,

HALEY & SON.
