FARMERS EXCURSION

To MODEL FARM AT GUELPH

The Annual excursion to the Model Farm at Guelph will be held on Saturday, June 20th, 1908. Tickets good to return on following Monday.

Fare from Mildmay \$1.15. Children half price 60 cents. Time 7.39 a. m. This will be the greatest holiday excursion of the season; let everybody come out and enjoy themselves. Train reaches Guelph at 8:50 a. m. Special train leaves Guelph at 5:30 p. m. for return.

Everybody should patronize this excursion, because farmers deserve a holiday as well as other people, and should visit the Farmers' College where all varieties of grains, grasses, roots and forage crops are grown for their inspection. Other interesting features of the college are, live stock, poultry and dairy, agricultural museum, as well as the Rural Consolidated School, MacDonald Institute, and the new Machinery Hall, which in itself is worth the trip. President Creelman extends a welcome to all.

The Leading Store

Prices make our store the busy one.

We are busy just now opening up

BEAUTIFUL - NEW - GOODS

For the Spring buying.

There is something intensely interesting in watching the healthy, active growth of a successful business. Last year's business showed a big increase which must be attributed to conditions, which are a part of our business methods:

- I.—Merchandise of unequalled quality, correctly priced.
- II.—Broad and liberal buying to keep assortment complete.
- III.—Having satisfactory store service.

We meet this Spring's business with confidence that it will bring us still greater measure of success.

We are placing into stock this week piles of NEW SPRING MERCHANDISE for your inspection.

New Dress Goods, Suitings, Vestings, Blousings, Dress Trimmings, piles of new Wash Fabrics, new Wrapperettes and Flanelettes, Muslins, Lawns, Silks, Cretons and Art Sateens, Table Linens & Napkins, New Ribbons, Veilings, Gloves, Hosiery Ladies' Fancy Collars and Ties, Floor Oils and English Linoleums, beautiful designs.

We call special attention to the beautiful finish and superior quality of our **New Prints.**

We extend an invitation to our many Customers. You will not be asked to buy, but we are anxious that you should see that when WE advertise, we mean what we say.

Frost Fences

Are Strong All Around

The laterals of a Frost Fence are High Carbon No. 9 Hard Steel Colled Wire, thoroughly galvanized—that can't be broken until the strain reaches from 1000 to 2200 pounds.

The stays are No. 7 or this same No. 9 wire. And the two wires are locked with the Frost Locks. That braces the fence in all directions—up down and diagonally.

We are so sure that Frost Fences are the strongest and best that we guarantee to repair, free of charge, any fence that goes wrong. That's fair, isn't it? Frost Wire Fences are for sale 1/2

You know the kind of Butter

That tastes all right in the centre but is "tainted around the edges."

We never buy that kind of butter so we never have to sell it.

We are very particular about the butter we buy because we buy it for particular people.

You can depend on the butter you get here. It's the purest and sweetest it is possible to secure, and being kept in a refrigerator used exclusively for butter is sure to remain so.

Better try some at 19 cents a pound. You are sure to be pleased with it.
