CANADA RETAINS TROPHY
PICKTON, Ont., July 11.—Outside Prinyer's Cove yesterday the Nirwana won from the Neagha in the deciding of three races for the George trophy, and so again retains the coveted trophy. The American boat lost by about five minutes.

ROBLIN CARRIES MANITOBA

(Continued from Page 1)

measured this at its true value. Analysis of the returns shows that in those districts where the Orangemen's strength is greatest, the government lost in proportion. Three deferred elections in the north will not prove the deciding factor unless final returns should change the present standing which appears fairly definite.

What Free Press Says

The Free Press says: "The Free Press will not say yesterday's election was a Liberal victory in the sense that the Liberals can walk into office and take possession. But it was a defeat for Roblinism and the machine. The arrogance has been pretty well knocked out of the breast of the premier. Yesterday's results creates a new set of political conditions in this province—conditions that cannot be met by methods which in the past have seemed sufficient to Sir Rodmond Roblin. With so many narrow majorities and the certainty of recounts in several seats it is not possible at this moment to estimate the political complexion of the next legislature. If the machine will kindly refrain from tampering with the ballot boxes until recounts take place it may well happen that there will be no majority at all for the Roblin Government. In any event the Roblin majority in the legislature will be small and it will represent a minority of the popular vote. Upon the strength of this backing Sir Rodmond Roblin will not go far.

The Liberals come out of the campaign in splendid fighting shape. Though some good men have fallen by the wayside the Liberal party in the next Legislature will be in character and talent far outrank the men opposed to them. Mr. Norris will have behind him in the Legislature a band of very able men and the progressive policies of the party will come into their own at no distant day.

"The day of machine politics, of liquor domination, 'boss rule,' of cozenage and of the kind of movements, is about over. When he studies the election returns and the constituencies which have defeated his candidates, Sir Rodmond if he has not completely lost his political sense, will recognize that his methods and his policies have been condemned by the people of Manitoba."

Sir Rodmond Speaks.

Addressing an audience from the Telegram building last evening, Sir Rodmond Roblin said: "I have no hesitation in saying that the reduced majority of the government is the result of distrust which was created in the minds of our Orange friends, regarding the policy of the government in connection with the restoration of Separate schools."

"I want to say, now that the government has been returned, and I say it in all kinds to our friends of the Orange Order, who have been my loyal and trusted supporters in the past, that this mistrust is unwarranted and unjustified. I say, as I have said in the past, there is not now any intention nor has there ever been, nor will there be, any restoration of the Separate school laws as I stated in 1910."

"We will gather up our forces. We will consolidate them again and we ask our Orange friends, in all kindness and with due regard for the responsibilities that we assume, to forget the distrust that has been created in their minds and to continue to give us that confidence and support in the future that they have to-day withdrawn, but which they gave us in the past."

"Our policy and record as we will make it in the next few years will show our friends in the Orange order that they were mistaken, that they were stabbing their best friends, because we are their friends to-night, and we shall not be estranged by reason of what is past. On the contrary I sympathize with them in the fact that they have been misled, that they have been deceived."

Much will depend on the deferred elections in Churchill, Nelson and Grand Rapids and until their conclusion and until the count has been completed the complexion of the new legislature cannot, according to the belief here to-day be positively outlined.

POTATOES HIGH ON THE MARKET

"Murphies" Brought Two Dollars Per Bag and Were Scarce.

To-day's market was one of the largest held on the city square for some months, and it was largely attended. The new fruits seem to be the chief attraction, and cherries, red and black currants and strawberries were in great demand.

The red currants sold for three boxes for 25c and the black currants at 15c per box. Cherries went at from 50 to 65c per basket. Strawberries, two boxes for 25c. Potatoes soared away up in price to \$2 per bag, a bag of very small ones selling for \$1.65.

Meats and fish remained at last week's prices, as did butter and eggs.

Lodge Notes

The Royal Templars met on Thursday last and installed the new officers into their positions. The positions of organist and press reporter remained to be filled following the adjournment of the meeting of last week. After some keen voting Bro. Albert Williams was elected as organist by a close vote. The new select councillor has the power to appoint the press reporter and he chose Bro. T. Williams to act in that position. Bro. T. Williams in accepting the position of press reporter thanked the Select Council (Bro. Townsend) for the honor, and eulogized the "Courier" and "Expositor" for the kindness, promptness and dispatch in publishing the lodge notes. He mentioned the fact that on Saturday last he dropped the reports in the newspapers' letter boxes at 11 a. m. and at 12.45 or one and a quarter hours later he the newspapers and was astonished to find the full reports published. After the installation of Officers had taken place, arrangements were made for the celebration of the turning on the power of the new sign, which will take place on Thursday evening, July 23rd. It is expected that on that occasion a large Initiation of Candidates will take place. Grand Council Officers from Toronto and Hamilton will be present to grace the proceedings and afterwards the company will adjourn for supper to celebrate the event.

MOUNT FOREST TOURNEY.
MOUNT FOREST, July 11.—A bowling tournament will be held here commencing, July 14. Many of the bowlers from surrounding towns have stated that they will be present for the contest. The greens are in fine shape.
