Change in Milk Delivery

On Saturday, September 15, The Hygienic Dairy Co., Ltd., will commence Day Delivery of Milk. The reason for this will be plain to all our customers who enjoyed its advantage last winter.

They found that delivery was more sure. That the milk reached them in better condition. Day Delivery in cold weather overcomes every disadvantage of night delivery.

We found that our salesmen work better in the daytime—that they enjoyed their work more. We found a noticeable increase in efficiency in the organization. Our service was improved.

In line with our fixed policy of making The Hygienic Dairy service of as high quality as the Hygienic Dairy Milk, we have instituted the change this year as soon as weather permitted.

You who are our good friends and customers, will welcome this increased efficiency and courtesy of our service.

In future our drivers will sell tickets for cash only, which means the customers must pay for ticket at the time of receiving it.

This will eliminate a large amount of labor and expense in book-keeping and we believe will be much more satisfactory to our customers as well as ourselves.

Kindly co-operate with us. Our ambition is to please you. Save milk Friday for Saturday's breakfast.

Very truly yours,
HYGIENIC DAIRY CO., LTD.

ATTEMPTED SUICIDE.
His Courier Leased Wire
Petrograd, Sept. 13.—(10 p.m.)—After being received by Premier Kerensky at the Winter Palace and informed of the fate which awaited him, General Krymoff, commander of the Korniloff troops, which were sent against Petrograd, returned to his lodgings to-night and shot himself. The general's wounds were not fatal.

FROST DOES DAMAGE
Reports from Burford township state that the frost is working havoc with the corn and bean crop in that township where the land is low lying and sandy.

MARKETS AT A GLANCE

(Written especially for the Brantford Courier.)

U. S. Loan to Italy—Another credit of \$55,000,000 made by the Washington Government. Washington—The Government yesterday advanced Italy another credit of \$55,000,000, bringing the total advanced that Government up to \$255,000,000, and the total advanced to the Allies up to \$2,321,400,000.

Examining the Newray—Porendine, Ont.—A thorough examination of the Newray property is being made by Mr. W. Yeangle, Jr., of the United States Smelting, Refining and Mining Exploration Company. It is reported that the American Company have a large block of the Newray, and on the results of Mr. Yeangle's examination will rest their decision regarding the exercise of the option. The inspection of the property will occupy several weeks.

Russian Exchange Outlook—London—The position of the Russian Exchange is becoming daily more unfavorable. To-day's rates, quoted at from 440 to 450 roubles per 100 pounds sterling against a normal of 94.60, indicates a loss of confidence in the ability of the government in Petrograd to meet their engagements under present conditions.

Kerr Lake Production—New York—Kerr Lake Mining Company produced 206,855 ounces of silver in August. This compares with 183,392 ounces in July; 251,367 in June and with an average of 215,000 for the twelve months ended August 31.

Selling Wave in Cotton—New York—After a good opening, with prices moderately higher, a selling wave developed that brought about a serious decline, though the reasons for selling are largely outside of the cotton situation itself, being based mainly on the weakness in the stock market, a bad state of affairs in Russia and a general pessimistic feeling which always develops when stocks decline. Nothing has occurred in the belt to change the situation itself. The immediate future will depend a good deal on the development of the tropical storms.

Laurentide, Limited—Laurentide, Limited, has declared its regular quarterly dividend of 2 1/2 per cent, payable October 2, to stock of record Sept. 21st.

Imperial Tobacco—The Imperial Tobacco Co., of Canada, Limited, has declared its regular semi-annual dividend of 3 per cent, on the preference stock, payable September 20th and an interim dividend of 1 1/2 per cent, on the ordinary stock, payable September 27th.

The Ribot ministry failed late Sunday night when M. Thomas withdrew, and Professor Paul Painleve followed him, being unwilling to remain in a cabinet where the United Socialists were not represented. Painleve's first combination met the same fate last Tuesday night, when the United Socialists also refused to co-operate with him principally because Alexandre Ribot remained as a minister. As President Poincare insisted upon M. Painleve continuing his effort to form a ministry, he resolved on Wednesday not to give the Socialists representation. At the moment a new obstacle rose when some thirty members belonging to the Socialist Radical group, which numbers 170, being the largest in the Chamber of Deputies, after a meeting, sent a delegation to Professor to claim the ministry of the interior or justice for the groups president, Louis Renaudel, instead of the ministry of the state, which had been offered to him. Eliminating ministries of state would have meant the dropping of Louis Barthou to whom there has been much opposition since he introduced three years ago the military service bill. The groups protest was transmitted to Renaud, Daniel Vincent, Rene Besnard, Andre Renard and Maurice Long, while they were present at a preliminary meeting of the new cabinet. On Thursday the cabinet suspended its sitting to allow Renaud and other Socialist radicals to go to the Chamber of Deputies to meet their partisans. Renaud alone submitted the Ribot cabinet meeting, thus allowing Prof. Painleve to complete his combination, Jean Dupuy abandoning the portfolio of agriculture to take the place left vacant by Renaud. These events are expected to show that the new ministry will start life without the assurance of active support from the United Socialists. The role played by the United Socialists throughout the crisis is generally condemned by the press as comparable to that of the Workmen and Soldiers' Delegates in Russia.

American loans to the other allies total \$2,266,400,000 to date.

The Virginia-Carolina Chemical Co. last year earned \$3,774,580.

Two thousand farmers in southern New York have appealed for exemption.

Less than two per cent. of New York's conscripts have attempted to dodge service.
