LETTER to WOMENMore Proof that Lydia E.
Pinkham's Vegetable Com-
pound Relieves Suffering.

Chicago, Ill.—"I suffered from a bad case of female illa. Lydia E. Pinkham's Vegetable Compound was recom-
mended and I took about six bottles. It fixed me up all right. The common symptoms of such a condition—pain when walking, irrita-
tion, bearing down pains and backache, nervousness and disordered digestion—soon passed away. I look much better now than I did before, and I recommend the Compound every time for female troubles, as it did for me all it is claimed to do. You have my permission to publish this letter." Mrs. J. MAY, 3548 S. Lincoln St., Chicago, Ill.

If you have any of the symptoms mentioned in Mrs. May's letter, remember what Lydia E. Pinkham's Vegetable Compound did for her, and try it yourself. It is a good old-fashioned medicine, made from roots and herbs, and it has helped countless numbers of women.

If you need special advice, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

SECOND LIBERTY
LOAN CAMPAIGNBig Drive for Five Billion
Dollars Launched in U. S.

Washington, Oct. 1.—The big drive for the second issue of liberty loan bonds began at noon today throughout the country with a multitude of activities that will last four weeks. The campaign is planned to raise at least \$3,000,000,000 in subscriptions and treasury officials have set the amount expected at \$5,000,000,000. Half again as large as the first liberty loan, the second offering is the largest the people of the United States have ever been called upon to absorb.

McAdoo formally opened the campaign with a speech in Cleveland, the first of many he will deliver on his tour of the United States to stimulate interest in the sale of the bonds.

Open in Cleveland
Cleveland, O., Oct. 1.—Secretary of the Treasury William G. McAdoo, officially opened the second liberty loan campaign in Cleveland this morning. Thousands of factory whistles and church bells signalled the campaign's opening by whistling and ringing continuously from 9.50 a.m. to 10 a.m. The secretary asked the people of Cleveland, the fourth federal reserve district, and of the entire country to beat the record made last spring in the first liberty loan campaign.

Tris Speaker, star outfielder of the Cleveland baseball club, purchased the first bond of the second liberty loan. Secretary McAdoo handed the bond to Speaker and received his check for \$1,000.

RUSH TO GOLD STRIKE.

Dawson, Y. T., Sept. 30.—The new gold strike at Kitchener and Seymour Creeks, tributaries of Big Creek, 30 miles southeast of Selkirk, are still attracting stakers. NERVOUS TROUBLE

The nerve system is the governing system of the whole body, controlling the heart, lungs, digestion and brain; so it is not surprising that nervous disturbances should cause acute distress. The first stages of nervous debility are noted by irritability and restlessness. In which the victims seem to be oppressed by their nerves. The matter requires immediate attention, for nothing but a complete breakdown will prevent a nervous man from carrying on his duties. However, need not despair, for even severe nervous disorders may be cured by improving the condition of the blood. It is because Dr. Williams' Pink Pills actually make new, rich blood that this medicine has cured extreme nervous disorders after all other treatment had failed. The nerves thrive on the new blood made by these pills; the appetite improves, digestion is better, sleeplessness no longer troubles the former nerve-shattered victim, and life generally takes on a cheerful aspect. Every sufferer from nerve trouble, no matter how slight, should lose no time in giving Dr. Williams' Pink Pills a fair trial, thus regaining their old-time health and comfort.

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
