The Almonte Gazette offers a reward of ten dollars for information that will lead to the discovery of the person who sent in correspondence with the name of a respectable young lady signed thereto, when the lady was not the writer. The correspondence, which was published in good faith, contained items without foundation in fact and intended to vent spite. If the forger is discovered, the punishment will be made to fit the crime. Newspapers are not infrequently deceived in this way, and we hope that in this case the Gazette will be successful in its search for the guilty party.

Mr. Charles Richards, after an absence of seven years, was a welcome visitor in Athens last week. Since leaving this section he has been associated with Dr. Bolton in the work of the mission at Port Simpson, B. C. He reports the mission to be accomplishing important results and is of opinion that the coast Indians are superior in point of intelligence to those in eastern Canada. The many friends in Athens of Miss Ethel Blanchard will be pleased to learn that she is deeply interested in her mission work—too busy to be homesick. "She contemplates returning to Athens next fall. Mr. Richards who is at the home of his parents, Frankville, will not return to Port Simpson until August.

Rev. Mr. Sheldon Welcomed. Montreal Star: The welcoming social given by Grace Baptist Church to their new pastor, Rev. Mr. A. G. Walford occupied the chair, and on behalf of the officers and members of Grace Church read an address of welcome. Addresses of welcome were delivered by Rev. J. A. Gordon, pastor of the First Baptist Church; Rev. A. L. Terrien, of the French Baptist Church; Rev. J. R. Webb, Point St. Charles Baptist Church; Mr. A. A. Ayer, on behalf of Olivet Church; Mr. A. E. Tuddenham, on behalf of the Baptist Tabernacle (East End), and on behalf of Grace Sabbath School, of which he is superintendent, and by Thomas Anderson, on behalf of the Young People's Union. Rev. Mr. John K. Thompson, a widely known and esteemed resident of the township of Escott, died on Wednesday last, after an illness of several months, aged 78 years. He was a life-long resident of the township and as a pioneer could relate many interesting experiences. He was an ardent sportsman and a good authority on all matters pertaining to the chase. He was several times elected to the council board of the township and had received other marks of esteem from the community.

Miss Annie Barber, who won the medal at the recent elocutionary contest, prepared her selection for the event under the tuition of Miss Maud Addison. The corporation sprayer is at work this week, in charge of Messrs. H. Stewart and M. Ritter. It is rather late in starting, but, if thorough work is done, effective treatment can yet be given to the caterpillar pest. Citizens desiring to have their shade or fruit trees sprayed should make application to the men in charge of the apparatus and it will be done at as near cost price as possible.

About \$40 has been subscribed by a few local wheelmen towards the construction of a cinder path between Athens and Charleston. The project meets with general favor, but a large number manifest a reluctance in placing a cash value on their anxiety to see the path materialize. Information relative to the cost of the undertaking is now being obtained and the whole matter will take definite shape in a few days.

A Rare Opportunity. From now until the 20th of May, Mr. W. T. Earl will offer unprecedented bargains at his Elgin street grocery. Prices have been made so low that a very large percentage of the stock should change hands before that date. If you are a prudent purchaser, it will pay you to investigate the genuineness of this clearing sale. — W. T. EARL.

The Dear Wife Rejoiced. The head of the household was late getting home. He had been out with the boys, and his wife reproached him. "Why it's early yet. It's not late." Just then the clock sounded one, two, three. The wife looked at him with grim rebuke. He caught her eye and jerked out this reply: "Well, now, if you want to believe that old dollar-and-a-half clock before your dear husband, it's all right."

"Opportunity is the Cream of Time." Now is your opportunity. There is no time when the system is so much in need of a good medicine, like Hood's Sarsaparilla, and no time when it is so susceptible to the benefits to be derived from such a medicine. By purifying, enriching and vitalizing the blood and toning up the system Hood's Sarsaparilla starts you right for a whole year of health. Constipation is cured by Hood's Pills. 25 cents.

Mr. James F. Earl of South Crosby died suddenly at his home on Tuesday last week. He was at his usual work on Monday, using a seeder drawn by two horses. One of his neighbors, Mr. A. D. Delong, went over to the field and entered into conversation with him. While they were talking, Mr. Earl was seized with some attack which rendered him helpless, and he was taken into the house. He appeared to recover all right, and passed a comfortable night. Next morning he was about the house and walked outside to the veranda, when he was stricken again, and died almost immediately.
