Headaches and Heart Trouble

Nervous Prostration of Three Years' Standing Cured a Year Ago by Dr. Chase's Nerve Food.

Anyone who knows the discouragement and despair which accompanies the helplessness of nervous prostration will appreciate the gratitude felt by the writer of this letter.

Dr. Chase's Nerve Food. I began the use of Dr. Chase's Nerve Food, and was completely cured by this treatment. It is nearly a year since I was cured, and I want others to know of this wonderful medicine.

The Ills of Yesterday.

Strange is it not, how we complain of the weather? We apparently never take notice of the days of sunshine in this province, but only note the days of clouds and darkness, says an exchange.

It is not possible that the civilized world is running to extremes on the question of eugenics? In the eyes of many so-called reformers the perfect body should be the chief object of experience, and marriage should be made with the sole object of begetting perfect children.

Some enthusiasts go so far as to advocate the restriction of marriage to absolutely healthy people. They think by this means to improve the stock and gradually to produce a higher type of human being.

The Great Program for the Halifax Exhibition.

Efforts have been made and will be redoubled to obtain a complete display of exhibits so that every department will have a highly and instructive show.

The horse racing will, as previous years, constitute one of the chief attractions of the fair and these speed competitions promise to be keenly contested. The horses were named for the stakes Tuesday last.

The vanderbilt program will embrace ten distinct acts of varied interest. The great sensational feature will be the demonstration of the Stevens Safety Pack. Harry B. Brown and Arthur Lapham enter the aeroplane and make an ascension.
