direct to purchasers. In this way buyers of Pianos and Organs will save from twenty to forty per cent. by dealing direction and, moreover, far better satisfaction guaranteed.

We claim to sell the best Instruments to be had, and at the lowest prices consistent with first class articles.

The cash system enables us to sell at a very small education.

very small advance on cost of manufacture although to honest and reliable parties we do not object to allow a reasonable time for payments.
Parties ordering by mail can rely upon getting as fine an instrument as if personally selected by themselves. Any Organ or Piano not found exactly as represented can be returned at our expense. We refer with pleasure to over Fifteen Hundred Pianos and Organs sold by us the last ten years.
Thankful for the very liberal patronage accorded us hitherto, we can only say that we will continue our endeavors to thororonly satisfy our customers in all their dealings.

60 CHARLOTTE STREET, ST. JOHN. WE are now displaying, in our Spacious Warerooms, a stock of goods which, by the richness of their style, construction and finish, and the grandeur of their appearance, completely throw into the shade any stock of goods to be found in the Dominion, and is only rivalled by few houses in the United States.

In introducing such a superior class of goods into this market our object has been to make it no longer necessary for our people to go from this city for even the finest class of goods. Our Spring Stock, as now completed, comprises—

DRAWING ROOM SUITES. Richly upholstered in Raw Silk, Tapestry, Cotoline, Rep and Satine. WALNUT BEDROOM SUITES, With French Dressers and Dressing Cases. Eastlake and Queen Anne style. Prices from \$100 to \$500. Walnut Sideboards, Bookcases, Wardrobes, Dining Tables and Chairs, Centre and Library Tables, Bed Lounges, Sofas, Couches, etc., etc. A full line of cheaper grades.

Arranged for either Hot or Cold Water. For Boiler Feeding in Steam Mills, Steam Boats, Factories, &c.

Independent Direct Acting Steam Pumps have a special advantage in Boiler Feeding, inasmuch as speed can be adjusted automatically, or otherwise, to run continuously and maintain water at uniform height. These Pumps can safely be run at speed which makes them an efficient Fire Pump. FOR SALE BY WISDOM & FISH.

NOTICE To Teachers, Parents and the Public There is being sold in this City and Province an Edition of "The World: an Introduction to Geography. By J. B. Calkin, M. A.," which is not authorized by the Board of
