### MAGIC'S WONDERS.

"While in London, England, a short time ago," said the professor, "our Oxford-street waiter was made the victim of a practical joke. One morning, as this tonsorial artist sat reading his newspaper, he was startled by seeing a young man enter in a very excited manner, who throwing, rather than seating, himself in the chair, demanded a shave instanter. The barber, who was a ready fellow, at once set about obeying the commands of see the hair growing on the other side. Terwith bleod. The barber flew into the street would be a heavy burden to the coungency. hallooing "Murder!" at the top of his voice. proached, and from his sleeves, and hair, etc., I proceeded to pull snakes, protesting etc., I proceeded to pull snakes, protesting all the time that they were flies. 'They are the previous year, was \$254,000. being prostrated by cramps, and being in a very weak condition I entertained very serious thoughts of giving up my profession and spending some years in travel. and would have done so but for an atter dant of would have done so but for an atter dant of would have done so but for an atter dant of would have done so but for an atter dant of ciency and general equipment, and I slept better that night been placed upon a more satisfactory reduced. than I had done for a long time before.

Again in the morning I rubbed with the Oil.

Again in the morning I rubbed with the Oil.

In the pay of some of the officials, at the close of the afternoon performance in the pay of some of the officials, at the pay of some of the officials. I noticed a great diminution of the painful least, is one which ought to receive further cases of the dreaded disease i cramps. Was I surprised? Well, I was the serious consideration of the Minvery much surprised, and I told my attendant so. In less than a week, and before I had finished using my third bottle, I was entirely and permanently cured. The effect of as a rule, trustworthy men, who take St. Jacobs Oil was indeed magical, so much so that I could scarcely believe my senses. I have never felt a cramp since-nor is there

A Canadian Speaks.

When anything worth saying is spoken in that terse and pointed way that terse and pointed way that terse and pointed way that the position, as well as the long hours impress of honest cenviction, we like to have impress of honest cenviction, we like to have the nature of the communication. The mulish antics of labor, are fairly cousidered.

The moles how the nature of the communication of some of whom is certainly small dividual, than, as in his own case, to be looked upon as an ignoramus, who mulish like, kicks out at random at the political than ever. More general business is like, kicks out at random at the political than ever. More general business is of labor, are fairly cousidered. The money is paid out. More money is being with a vengeance. More looked upon as an ignoramus, who mulish like, kicks out at random at the political than ever. More general business is done. More banking is done. More banking is done. More banking is possible to have died soon after. Drink was the like, kicks out at random at the political than ever. More general business is done. More banking is done. More banking is possible to have died soon after. Drink was the like, kicks out at random at the political than ever. More general business is done. More banking is possible to have died soon after. Drink was the like, kicks out at random at the political than ever. More general business is done. More banking is possible to have died soon after.
