HORACE GREELEY.

The Gentle, Brusque and Welcome
Farmhouse Intruder.

"When Horace Greeley was first mar-
ried and brought his bride home on a
visit," said an old acquaintance, "a
sugar party was given in their honor on
a neighboring farm. All the guests
had arrived, and we were looking out
watching for the belated bride and
groom. At last we saw something ap-
pearing in the distance. As this same
object came nearer we discovered it
was the old white horse of the Gre-
leys slowly plodding his way through
the mud. On his back sat the bride
in a brilliant yellow frock, with a
green velvet belt, and behind her,
wrapped in his famous white over-
coat, sat the editor of the New York
Tribune. It was the funniest sight I
ever saw and set us off in fits of
laughter. I remember that I simply
lay down and rolled upon the floor in
a spasm of mirth.

"Mr. Greeley came home every year
and after a day or two on the farm
would start out to walk miles and
call on people. He was never known
to knock at a farmhouse door. No
matter whether he knew the inmates
or not he would push open the door,
walk right in, sit down by the fire-
place and fail to discussing crops and
other topics dear to the farmer's
heart. Everybody was glad to wel-
come this gentle, brusque intruder."

AFRICAN SANDSTORMS.

The Conditions Which Bring About
These Deadly Blasts.
The sandstorms of African deserts
are caused by the great power of the
sun's rays, the extreme dryness of the
air and the small conducting power of
the sand. The superficial layers of
sand in the deserts of Africa and
Arabia often become heated to 200 de-
grees F., to a depth of several inches.
The air resting on this hot sand be-
comes also greatly heated, thus causing
ascending currents. As a result air
flows in from all sides, and, different
currents meeting, cyclones are formed,
which are swept onward by the wind
prevailing at the time. Since the tem-
perature of the air, originally high, is
still further raised by the heated grains
of sand with which it is loaded, it
rapidly increases to a most intolerable
degree. In the shade it has been known
to reach 120 degrees. It is to the parch-
ing dryness of this wind, its glowing
heat and its choking dust and not, as is
sometimes supposed, to any poisonous
qualities it possesses that its destruc-
tive effects on animal life are to be
ascribed. The effects of sandstorms are
most terrible, large caravans being
frequently overwhelmed and destroyed
by them. It was by their agency that
the armies of Cambyses and Scen-
nacherib were annihilated.

Nourishing Blood
Means Strength.

You are Pale and Weak
Because Your Blood is
Thin and Weak.

There can be no such thing as health
without pure rich blood—no sparkling
eyes, clear skin, or vigorous brain.
The very foundation of health and
strength lies in the blood, which must be
kept free from poisons and impurities.
Nature has no better blood medicine
than Dr. Hamilton's Pills, which are com-
posed of such vegetable extracts as man-
dora and butterbur, known to all doctors
for their prompt and healthy action.
If you would drive out disease and in-
crease your force and vigor, take Dr.
Hamilton's Pills. You will feel fresher
brighter, and enjoy keener appetite.

She Was Pale and Listless.
"Before using Dr. Hamilton's Pills
writes Miss E. Phelps of Wood-
stock, N. Y. I was pale and listless, my color
was yellow, and my appetite very poor.
To-day I am a different girl, weigh more,
look better, and feel improved in every
way."
Why not use Dr. Hamilton's too?
You'll get that happy bracing health that
thousands and thousands are enjoying be-
cause they used this famous medicine.
Price 25c. per box, or five boxes for \$1.00

ford, Conn., U. S. A., and Kingston, Ont.

Better Than Aladdin's Lamp.
Aladdin's famous lamp was doubt-
less a very handy little piece of bric-a-
brac to have about the house, but there
is question whether it would be very
highly esteemed in these days of ad-
vertising wonders. Aladdin may properly
be regarded as a back number.
Whenever he wanted anything he had
to earn it by the sweat of his brow as a
metal polisher. Nowadays people
who want things put ads. in the news-
papers—it's much easier than rubbing
an old lamp—and they are served just
as effectively as was Aladdin by his
genie.

You'll Be Glad to Know This.
The lucidity of this statement, made
by a medical journal, will appeal to all
hurried readers: "Further evidence of
the complex character of toxins was
also furnished by the studies of hae-
molysis and bacteriolysis, which had
their origin in the union of an am-
ceptor and complement and were an-
tagonistic to toxins, the amceptor rep-
resenting the haptophore and the comple-
ment the toxophore group."

His Wish Was Gratified.
Her head had dropped upon his shoul-
der.
"If only," he whispered, "thy cheek
could remain there forever."
Little thought he what was to be.
Little thought he until he got home
and tried to remove her cheek from his
dress coat with ammonia and alcohol.

Fruit Cures
Constipation

"Fruit-a-tives" cure Con-
stipation because they
are made of fruit.

Constipation comes from
just one cause—lack of bile.
It is the bile—flowing into the
intestines—that causes the
bowels to move. More bile is
the only thing that can cure
Chronic Constipation.
Fruit acts directly on the
liver. It stimulates and
strengthens the millions of
tiny liver cells—causes more
bile to be made—and makes
the liver give up more bile to
the bowels.

Has Kate Krutz, Danville, Ont.,
written of this? In a recent issue she
was her trouble, and says: "I have used
'Fruit-a-tives' with great benefit, and
they are a grand medicine for constipa-
tion and other stomach trouble. I would
not care to be without them in the house,
they are so good."

Cathartics, pills, salts, aper-
ient waters don't reach the
liver. They merely irritate
the bowels and make the
bowels move by irritating the
lining membrane. Constipa-
tion is made worst by such
drugs.

Fruit-a-tives
or Fruit Liver Tablets.

contain no calomel, cascara,
senna or other bowel irritants.
They are concentrated fruit
juices, combined and made
more active medicinally by
our process of uniting them.
"Fruit-a-tives" are a liver
tonic. They tone up and stimu-
late the liver—and cause the
liver to secrete more bile. This
means a healthy bowel action
and a permanent cure for
Constipation, Biliousness and
kindred troubles.

All druggists should have
them. Sent prepaid on
receipt of price—50c. a box or
6 boxes for \$2.50—by
