Toronto Athletes Here in Force

For Bobby Kerr Meet on 25th of September.

While he was in Toronto on Saturday Bobby Kerr secured a large number of Toronto entries for the Tiger A. A. games to be held at Britannia Park next Saturday, and as a result a big delegation of Toronto athletes will be on hand for the local fall championships.

isher, but after a race or two he should be right there with the good ones." With Sellers, Richards and Scofield on scratch, and a good bunch of runners in front to draw them out, a good race should result.

The two bicycle races, scheduled for the afternoon, have been called off, owing to the fact that the C. W. A. has refused a sanction on account of the big Dunlop trophy bicycle race which will be held next Saturday.

The entries for the games close to-morrow evening with M. M. Robinson, care of the Spectator, the events being as follows: 200 yards handicap, 220 yards handicap, 100 yards invitation, 100 yards boys, 100 yards handicap, 1/4 mile run handicap, 1/2 mile walk handicap, 1 mile run, boys, 1 1/2 mile run, handicap.

Jim Jeffries in Gay Paree.

Paris, Sept. 20.—Jas. J. Jeffries has arrived here from Carlsbad where, according to sporting newspapers, he has been taking the cure to reduce his weight for his scheduled fight with Jack Johnson for the heavyweight championship of the world. It is said here that the contest will take place either in America or Australia, and the purse is to be \$50,000.

TIGERS HAD A GOOD PRACTICE ON SATURDAY.

Jack Williams Will Play With Ottawas This Season—Toronto Press Says That Bargette Will Turn Out With Argos.

No complaint could be found with the manner in which the Tigers turned out to practice on Saturday. Practically all the seniors were out together with a big bunch of intermediates, juniors and candidates for all three teams.

The probable line up for the first game in Ottawa will be: Full back—Kid Smith. Halves—Moore, Biggs, Simpson. Quarter—Awey or Burton. Scrimmage—Rusky Craig, Pfeiffer and Craig of Dundas, or Bramfer of Hamilton.

The scrimmage will be as strong as ever despite the changes, the big wing line, considered almost invincible, remains practically intact, and certainly there will be no reason for fault-finding with the booting brigade on the half-back division.

That big wing line is what Hamilton pins its faith to. It remains practically unbroken. With Don Lyon and Art Turner, the former Queen's player, as outside wings the Tigers will have a flying squadron that will be hard to beat. Barron, Iebister, Grey and Wigle, the big lion of the team, will be at their old positions.

Tom Clancy is playing centre scrimmage for the Ottawa football team. This doesn't mean "the king" has broken out in a Barney Quinn. In the absence of George Kennedy, he gets down in practice and heels the ball out to his pupils.

King Clancy is looking for a full-back for the Ottawas. Stuart Christie may be tried out there.

Chaucer Elliott has his Montreal bunch out practising at night, in the glare of big arc lights. Stars shine better in the dark.

Ottawa Journal—Jack Williams, Ottawa's star centre half back, will be in his place for the first league match the locals play. This announcement was made by an officer of the Ottawa Rugby Football club last night.

Toronto Telegram—Argos wound up their first week's practice Saturday in a strenuous manner. Two teams were picked and the formalities of a real game were played.

The only absentees from practice were Norcross and Corkery, who were feeling a trifle stiff and sore from their first night's practice.

Caprol, the Ottawa intermediate captain, showed his running and dodging qualities. His hand was cut by a piece of glass and this hampered his catching a little.

They got wise to Jim Hutchison's back division and is kicking the ball farther than ever. He will have a good partner in Corkery.

Alex. Sinclair, the big wing man, will be out next week, as will Jeff Taylor, who is coming down from the Cobalt country.

Frank Bargette will also play with Argos instead of the Tigers, as stated from the Hamilton press. Barge is coming down Monday. These players will give the oarsmen a wing line second to none in the union, and the only back division with some promising new material to pick from.

Westinghouse Won Only Soccer Game

Defeating the International Scots by a Score of 3-0.

Only one game of soccer was played on Saturday and that was between the two favorite teams, the Westinghouse and the International Scots. The fans were anxiously waiting for the game as some new players were to appear on both sides.

As soon as the ball was put in motion the battle for supremacy began and both sides worked hard. The Scots seemed to be strong at the start but the Westinghouse checked them well and they were unable to do much. When the Westinghouse got going they carried the ball well into the Scots' territory and were loudly cheered by their supporters.

When the play was resumed the Westinghouse appeared in better working order. They had things all their own way for a time, but the Scots soon settled down and checked the Westinghouse's progress.

The second half of the Scots worked together better and made a good try for a goal but failed. Although they worked hard they could make but little impression on the Scot's line. The play was then carried into the Scots' ground and the Westinghouse managed to score another goal before the final whistle sounded.

Mrs. Hannam is the Champion. Ideal weather and a record gallery contributed to make the last day of the Ontario championships tournament at Toronto the most notable event of the kind in the history of local tennis.

Miss Moyes' steadiness and activity, combined with the accuracy of her placed shots, won her the first set at seven games to five, and though not successful in the remaining sets, both of which she lost, yet her game was not only creditable, but brilliant.

Ladies' championship singles—Mrs. Hannam (defender), 5-7, 6-0, 6-1. Men's championship singles—Baird (defender) defeated Arthur (challenger), 6-4, 6-4, 4-6, 6-3.

Today's play: 4.45 p. m.—Challenge round, mixed doubles, Miss Moyes and Mr. Baird (holders) vs. Mrs. Hannam and Mr. Meldrum (challengers).

INTERMEDIATE SERIES OF INTER-PROVINCIAL FORMED

At Meeting Held at Waldorf Hotel on Saturday Night—Tigers, Parkdale C. C, Argos and Dundas Will Enter Teams.

At a meeting of the western district of the Inter-Provincial Rugby Union, held at the Waldorf Hotel on Saturday afternoon, the formation of the intermediate series only was dealt with, the following officers and intermediate representatives being present: President W. H. Seymour and Secretary M. M. Robinson.

The situation was thoroughly gone over and finally the following intermediate district was formed: Tigers, Parkdale C. C., Toronto, Argos, Toronto and Dundas. This arrangement was made provisionally, as was the executive committee appointed and the schedule which was drawn up, the Dundas and Parkdale delegates desiring a provisional arrangement, until they had their actions confirmed by their respective clubs.

The following executive committee was appointed to look after the series: Dr. Rykert, Dundas, chairman; Morris Long, Tigers; Ed. McGillivray, Parkdale; R. McKay, Argos, and A. Wilson, Dundas.

The delegates of the four clubs then drew up the following schedule, which will stand subject to the approval of the four clubs: Oct. 2—Argos at Hamilton. Oct. 9—Parkdale at Argos; Dundas at Tigers.

Oct. 15—Parkdale at Dundas. Oct. 22—Argos at Dundas; Tigers at Parkdale.

Oct. 30—Dundas at Hamilton; Argos at Parkdale. Nov. 6—Dundas at Parkdale; Hamilton at Argos.

Nov. 13—Hamilton at Dundas; Parkdale at Argos.

The Parkdale and Dundas clubs will meet to-night to approve of the results of Saturday's meeting, and, if acceptable, Dr. Rykert will call a meeting of the executive committee for Tuesday evening when the final arrangements for the intermediate series, such as an appointment of a board of referees, will be made, while the junior groups will be organized and the teams played.

Many applications are in from junior teams, and in case the Dundas and Parkdale clubs decide to abide by the meeting on Saturday, nearly every junior team in Ontario will show in their list with the Inter-Provincial, the "Big Four" the same strength in the western district that it had last season.

The result of the meeting on Saturday will practically mean that the Rugby situation in Ontario will be cleared up to-night, and from the present outlook it will prove more than favorable to the Inter-Provincial.

Secretary Ray Clark, of the O. R. F. U., and Billy Clark, of the T. A. F. C., were in Hamilton on Saturday and made strenuous efforts to hold the Dundas and Parkdale clubs in line, before and after the western district meetings. Their efforts, however, were far from successful.

BOWLING SEASON WILL OPEN AT H. B. & A. C. THIS WEEK.

Interesting Programme Has Been Arranged For Coming Season, and Important Matches Will Take Place.

After a rest of several months, the bowling season at the Hamilton Bowling and Athletic Club will open this week with a rush. The first important match will be played on Wednesday night when the Commercial Club will clash with the H. B. & A. C., twenty men a side.

The delegates of the four clubs then drew up the following schedule, which will stand subject to the approval of the four clubs: Oct. 2—Argos at Hamilton. Oct. 9—Parkdale at Argos; Dundas at Tigers.

decided to hold a two-man tournament to commence on Monday, September 27th. Players with an average last winter of 165 or over may select a man to roll whose average is under that figure. The entry list is already large, and will close on Friday, September 24th, when the schedule will be drawn up for the first week's play.

Good prizes have been secured and all entrance money will also be returned in the way of prizes.

A very interesting match will be played on Saturday evening, 25th instant. The match is for individual members and will take on the aspect of an endurance contest. It will consist of ten games, entry open and prizes will be distributed at the termination of each game and the entire series.

ITEMS OF INTEREST FOR YOUNG ATHLETES

Two weeks from Saturday will see the opening of junior football leagues in this city, and from present indications it should be the most successful on record. The teams are getting down to real hard practice now, and are quickly rounding into form.

On Saturday all the teams held practices, and unusually large crowds were in attendance. The fans seem to be taking much interest in these work-outs, and during the week the attendance is also good.

The St. Patricks held their practice on the church grounds. Manager Revell gave his team a work-out, and from their showing it will be no surprise if the sweaters are won by the Irishmen. They showed up well in all departments of the game, and especially their tackling, which was the feature of the practice.

There is much speculation going on concerning the First Church team. They were supposed to be out of the running, but recent despatches from their training quarters state that the First Church will be one of the best teams. They have secured the services of a few of Highfield's best players, and with such acquisition should turn out a good team.

Not content with this, they have signed Harding, "Red" Fisher and a few more alert cubs. The First Church are going to make a desperate attempt to do something this season, and from the start they are making it look as though they will be able to accomplish the task. The Ascension and St. Thomas teams held practices, but did not indulge in any hard work. They have not yet their teams complete, and think it useless to begin hard work yet.

It is a very difficult task to get a line on the players. They have not given out any information about their plans, and are keeping this back with the intention of fooling doers on the opening day.

Nelson's Church League should be a class affair this season. Four strong teams have signified their intention of entering, and all are evenly matched, with the result that some fast games should be played this year.

North End Park. The grounds, with a few improvements, will be all right.

As a certain raiser to the big game at Britannia Park on Saturday afternoon, the deciding game for the championship of the East End Soft Ball League was played between the East End Y. M. C. A. and the Woodlands, and proved to be one of the most interesting games of the season.

The Y's are now holders of the challenge trophy donated by J. W. Nelson for one year. Last year the cup was won by the American Can Company, but he was the three times before the ownership can be claimed.

The Y's are now holders of the challenge trophy donated by J. W. Nelson for one year. Last year the cup was won by the American Can Company, but he was the three times before the ownership can be claimed.

Dinky Campbell and Joe McMahon leave to-day for Kingston, where they will train Queen's for the coming year. Dinky has a wide knowledge of the game, while Joe has got it on most of them when it comes to looking after his part.

All those who are interested in athletics are requested to attend the Y. M. C. A. this evening for the purpose of holding the adjourned meeting of the Hamilton Young Men's League.

The Keystone of Yorktown, will not enter a team in the City League.

The Victoria Park League will be organized shortly. All of last year's teams are entering, and no doubt there will be some rattling good games.

At the meeting of the Church League on Saturday night the following officers were elected: J. W. Nelson, Hon. President; V. Stringstead, President; Mr. McKelvey, Vice-President; R. Springstead, Secretary. The Executive is composed of the manager or representatives from each team.

The average weight limit is to be 135 pounds. All players are barred if they have played two games in either the O. R. F. U. or the Inter-Provincial. The teams represented were the Y. M. C. A., St. Andrew's, Simcoe and Knox, with a possibility of Erskine and Garth Street Mission putting in teams on Thursday night, when they will meet to draw up the schedule, at J. W. Nelson's.

Y. W. C. A. NOTES.

The Y. W. C. A. gymnasium class aims to secure symmetrical development of the body, to correct physical defects, to improve circulation, promote good health, good fellowship, and provide time and place for play. Everyone should join now and be ready for the new gymnasium. The fee is within the reach of all. Children should join the children's class, which promises to be an interesting one.

Westinghouse Won Only Soccer Game

Defeating the International Scots by a Score of 3-0.
