S AND DEBILITY OF

Smith, of No. 5, Little
Street, dated December 12,

5 years I hardly knew what
extreme weakness and debil-
ity and sickness of the
spirit. I used to think that
any ordinary man, some of
power, inferior to me, they
were beyond the reach of even
stomach and liver, making
me very weak. One day
I saw your Pills, advertised
from curiosities, and with
myself better by taking them
for six months, when I am

that many extraordinary cures
of your Pills. One is that
the after having for Twenty
years been living very fearfully
in a house, following his son
of that mountain, Clarendon
Street, and finally to his bed-room
and death, he has been re-
ferred him to a dyer, who
restored to his health
restored night and morning into
