CONSUMPTION CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish this result. This preparation has all the virtues of two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results and endorsed by more physicians for Consumption—and the diseases leading to it, such as Chronic Coughs, Bronchitis, Scrofula, Anemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvelous.

See What Physicians and the People Say About It.

Messrs. Scott & Bowne: 66 West Thirty-sixth Street, New York, September 2, 1878.

GENTS,—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, palatable and efficacious.

C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it our most reliable agent, in a perfectly agreeable and safe form.

October 12, 1879.

Yours respectfully,
A. H. SEXTON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the best preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and safe form.

December 10th, 1878.

Yours truly,
J. SIMONAUD, M. D., New Orleans, La.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain, but my general health did not improve, and early in the winter I began to feel weak and rapidly grew worse. In May last I was taken with a violent bleeding, which brought me to my bed, and my life was despaired of for many weeks; violent symptoms appeared, night and morning, cough, high fever, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and I used various preparations, but they did me no good. I lost all hope of it, and as a subject of pity to all my friends. Last September I purchased a bottle of your Emulsion and before I was a week better. I afterwards bought a dozen bottles, and the following results: Coughs subsiding, night sweats stopped, appetite returned, pains in spine disappeared, strength returning, and my weight increased from 115 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friends on the street, who ask, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil, etc." I have a friend who has not spoken aloud for 15 months, and he is getting better. I gave him a bottle and he bought two more, then got a dozen, and says it is food and medicine for him. He was given up to die a year ago, but he is improving now wonderfully. My recovery is exciting the surprise of many people, and shall do all I can to make known your valuable medicine.

January 20th, 1879.

Very truly yours
H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—Gentlemen,—I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach. I continued its use, gradually increasing the dose; and from that hour I country attending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try it, and am sure they will be benefited. I am sure I shall entirely recover.

I am gratefully yours,
R. W. HAMILTON, M. D.
