rible and revolting consequences; here break out the delirium tremens, the apoplexies, the outrages, atocities, murders and suicides; life is insupportable and the man is mad. He seeks again the oblivious cup to rid him of his consciousness and relieve him from his sufferings:

I remain, yours, &c. is in this stage that the madness exhibits its terthe deeper he drinks the more intense the craving—the insatiable thirst; till once more he sinks down into the humiliating condition senseless animality. Thus day after day, he pursues the same wretched round of drinking nd raving, and sleeping and suffering, till muscles, nerves and sinews—blood, bones and intes-tines—all, all have become exhausted or enfeebled by over-action; and the poor miserable, wretch stands forth as the shivering, tottering, half-murdered monument of Intemperance. His limbs are unable to support the weight of his limbs are unable to support the weight of his body; they are trembling under him; he is Excellency the Governor General's speech, afraid to walk, lest he should fall; his perception be read a second time, a division took place of equilibrium or the law of gravity, has departed from him. His head shakes-his hand etakes, he is utterly unable to raise the cup to his lips, even to slake the firey thirst that is parching his vitals. Poor forlorn wretch. He feels himself slone-without one friend in the world; he has made himself the butt of scoru and redicule; he feels it, and the blackness of darkness gathers round him in all the gloom of a lency the Governor General with the address. hopeless despair, and drives him headlong over the verge of that dreadful nameless deed. Or should his peculiar organisation suffer him to escape this shocking caustrophe, enraged nature steps forward, and in one convulsion of definition. steps forward, and in oue convulsion of delicium W. Cayley said that he had been advised by tremens or apoplexy, terminates at once the sufferings and existence of the wretched nervous ferings and existence of the wretched nervous to morrow. There is another class of drunkards who attain

an advanced stage of the desease, at which the on advanced stage of the desease, at which the nervous drunkard never can arrive. The furious action of his nervous system either kills him outright or sends him to the lunatic asylum before the attains the stage of besotted imbecility. This achievement is reserved for men of dull morbid or lymphatic temperaments. They pass through all the stages of periodical insanity which we have described, without, however, exhibiting all the stages of periodical insanity which we have described, without, however, exhibiting the stages of the vote on the answer to the address, on Friday night, Ministers had tendered their resignation to his Excellency on Saturday. On the motion that the House adjourn until 11 o'clock to-morrow.

Hon. Mr. Cayley moved the postponement of the House until to-morrom at hair past 11 o'clock, which was agreed to.

Some angry discussion took place on the all the stages of periodical insanity which we have described, without, however, exhibiting the same completes. Some angry discussion took place on the injustice of detaining Mr. Norval under arthe same symptoms or experiencing one thousendth part of the same sufferings. They are constitutionally dull, and although atimulants administered to the brain many produce a slight agrecable sentation on the nerves, yet nothing less than an earthquake or a thunderbolt could arouse them into extra activity. They will sip end soak, and soak, and rip, without making one additional move, till utter insensibity overtakes been doubted: that he who makes one thistic to grow where two had grown before is equally so, because he destroys an enemy which robs a nations of its wealth. The thing has become part and parcel of themselves. In it they live move and ved in demand one farthing per pound. hare their being; their faces become flushed and bloated, and their eyes have lost the lustre and vivacity of nature; but they have ceased to stagger, or to measure the width of the street, and their eyes have been considered. The careful per business and generally mending market easier. Discounts free. Only one important failure. Consects 89½.

Parliament has re-assembled. The archand the tremor has forsook the hand. The truth bishop of Canterbury is dead. The revolution in Sicily has been successfuf. Conence, and the whole system has got naturalised and can accomodate itself to this peculiar mode. No regret, remorse, horror, or shame has now a residence within these tabernacles of besotted silliness. You will see them alunging from street of street, and from one bar-room to another, throughout the length and breadth of the town ence, and the whole system has got naturalised throughout the length and breadth of the townwherever they think they can spunge a glass, or obtain one on faith, thitherward their steps are directed. They speak little and think less-the thinking principle is gone-they do not stagger on the streets ; they lift their feet, but do not set on the streets; they lift their feet, but do not set them down like living men; they are allowed to fall powerless as if the legs were loosly fasten ed to the knees by a piece of wire, and in feet ed to the knees by a piece of wire, and in fact they are so very like walking wooden men that

it treats; but as it is one of the few Messengers militia. The country at large is opposed which run on errands of Merey, and is rather complimentary, than otherwise, of the gentleman to whom it is addressed, we see no evil in giving it publicity.

NORTH-EAST HOPE; (near Stratford,) & March 1st, 1848.

To THOMAS MERCER JONES, Esq. Sin,-You will excuse me in addressing you thus publicly, but I cannot refrain saying a few words; for you have a warm heart, when applied to in a proper manner. Although you act as Commissioner of the Canada Company, and are collecting the debts and claims of that Company, owing by the settlers for their land. Yet, I I should wish you to temper "judgment with mercy." Why? the settlers you are, (through Messus. Strachan and Lizars.) putting in suit: for threatening by your and their circulars to do so, are well able to meet all claims due the Can.

Hence, this Treaty was framed at the earnest solicitation of the respresentatives of friend-typewers resident in Mexico. A letter in the Union assumes that the Moxican Government sincerely desires to the confidently expects its ratification by their congress:—that if rejected, and the present government be disposeessed, it will be impossible to organize another. so, are well able to meet all claims due the Canada Company,—but they may not at the moment
of demand be able to pay the cash. They are
all Irish, Seotch, English, and Germans—old
country people.

I am aware that elemency has been shewn;
that is, that many are in arrears for several years so, are well able to meet all claims due the Can-

past,-yet it will do no good to them nor to the thought to coaver remeastrance and classport be standed of the little bation of every term and every corner be standed. Company, of which you are in the little and listens, and haltisen less the standed of the ceed, less he should meet some possion of God's Queens Bench. Your higher-in-law, Mr. John offended creation. He regards himself as an Strachan, Barrister, we esteem as a good lawyer offended creation. He regards all against every —I repeat, a sound lawyer (in Chambers), and I any method of remedying the serious inconverses and every man's hand against him. He do not think it is good policy on your part to put niences arising from the negligent irregularity of Ishmaelite, whose name is torred against every man and every man's hand against him. He do not think it is good policy on your part to put views himself as the outcast, the despised, the rejected of mankind. There is not a single, ray present state of this Western Country, you are of hope. All, all is dark as the gloom from well aware of. And although the wheat is in the of hope. All, all is cark as the groun from which Almighty power drew forth creation.— barn, there has not been—by a parverse winter—Existence is truely intolerable; oblivion, death, a change of carrying it to market; and if there hell, anything to escape from the misery-the the price is low. It will do you more credit personally, as well as the representative abov Here, then, is the climax of the desease: It referred to, if you withdraw the suits already entered ; if not, you will hear from me

LATER.

NEW YORK, 31 P. M. The British Parliament re-assembled, and the first debate arese upon a motion

The refusal of the American Post Master you almost feel inclined to tap them on the shoulder and ask. "Does any person live here?"—And how many good tradesmen, how many respectable mechanics, and how many clever prodissatisfaction the proposal reciprocally made by the latter country, universally redessional men have come down to this awful depth of human degradation? They are not

depth of human degradation? They are not madmen but helpless idiots.

The Archbishop of Canterbury Primate of all. England died yesterday, morning in the 82nd year of his age.

The inquiry into the state of national affairs was ended in the determination to double her artillery force, embodying 15000 it treats; but as it is one of the few Messengers militia. The country at large is approach.

to the measure.

TREATY WITH MEXICO.—The following despatch has just been received by the Tribune :-

WASHINGTON, March 3, 121, P. M. The Union of this morning advertises the treaty with slight modifications, and urges its adoption without delay. A distinguished officer in Mexico writes that the treaty was framed at the earnest

TO THE EDITOR OF THE HUROS SIGNAL.

Godmices, Oth March, 1848.

DEAR Sin,—As you have perhaps as much in

terest as any other person, in the regular arrival the Mail from London. It is a fact that during the last eight or ten weeks it has uniformly reached Goderich at from twelve to twenty-four ours later than the hour of agreement, and in onsequence of this there is not a possibility of replying to any communication received from the West, for at least three or four days after it is received, as the Mail which brought it is starte efore you have time to reed the communication By calling public, attention to this grievance you will oblige the inhabitants of Goderich, and confer a favor on

A MAN OF BUSINESS. We have received at least a dozen of simile complaints upon the same subject and only for sake of the country Post Offices on the London road, would at once propose that the Mail from London to Goderich should be carried round by Hamilton and Galt, as at least a more safe and regular mode of conveyance. In the meantime petition to the Post Office an horities could do o harm.

BLANSHARD BRANCH AGRICULTU-RAL SOCIETY. The second Annual Meeting of the Blanshard Branch Agricultural Society, was held here or the 18th of January, 1848, for the purpose o electing Office Bearers for the ensuing year-John Sparling, Esq. in the Chair. The follow ag members were duly elected, viz :-

John Sparling, Esq. - President. Messrs. William P. Smith, John Legg-Vic Presidents.

Thomas Christie, Esq., Treasurer Mr. William Barron, Secretary.
The following were appointed as a contee: Messrs Samuel Robenson, Daniel McLea-rin, John Lancaster, C. G. Sparling, Charles Ingersoll, Johnston Armstrong, Nath. Stephens Andrew Forrester, Thos. Skinner, Fred. Spatl ing, Jacob Legear, Amos Doupe, Wm. Hunter James Legear, James McKay.

By inserting the above in your valuable Pape you will greatly oblige Your obedient servant,

WM. BARRON, Sec. APPOINTMENT .- His Excellency the Governo

PROSPECTUS

CANADA FARMER. A Family Journal of Agriculture—Internal Improvement—Literature—Science—General Intelligence—published jevery Saturday, at R. Brewer & Co.'s Esublishment, Toronto, and is now offered at the exceeding low price of ONE DOLLAR per year.

THE FARMER was established to supply a want that has long been felt in the periodical Literature of Canada. On the one hand, a majority of the weekly publications devoted their exclusive attention to the politics of "party," a few to Religion and kindred topics, and on the other, one "magazine" poured out its monthly stores on the grand, inexhaustable, and vitally important subject of Canadian Agriculture.
