

# REID-NEWFOUNDLAND CO.

EVERY DAY finds a use for it, every house has a place for it, no house wired for Electricity is complete without it—

## The Westinghouse Electric Toaster-Stove

creates an unrivalled place for itself in the heart of every modern woman.

It relieves her of the necessity of lighting fire in the kitchen stove to prepare the breakfast.

It enables her to prepare dainty luncheons right on the dining table while enjoying the conversation of her company.

Let us demonstrate one for you at your home.

Eggs, ham, bacon, etc., can be fried as well on the Westinghouse Toaster-Stove as on the big kitchen stove, and without the heat, dirt, fumes, etc. It can be used on a side table for keeping things warm while you are at dinner, and the finest toast in the world can be quickly made upon it.

Strongly built, it will last a lifetime; handsomely finished in polished nickel, it makes an attractive addition to any table service.

In fact there are a hundred and one reasons why it is destined to become universally used.

**PRICE—\$7.20 each.**

### GOOD ADVICE.

It is necessary to always have a bottle of good Brandy at hand.

What Brandy will you buy?

The medicinal Brandy "Sanator" is not a properly so-called medicine, but it has been selected from amongst the best French growths for their effective principles, and it is distilled so as to develop its tonic and digestive qualities. It is really the FAMILY BRANDY, which name the public has, for a long time, bestowed on it.

The celebrated French physician, DR. PHARZELLE, Inspector-in-chief of the Great Medical Services, says: "The medicinal Brandy "Sanator" is eminently an easy digestive drink, remarkable for its tonifying and reinvigorating properties."

Ask for Medicinal Brandy Sanator from your liquor dealer; he has it.

DIRECTIONS.

Against weakness and bad digestion: a liquor glass at each meal.

Against Cold, Influenza: take as a hot drink, viz: one ounce and a half of Brandy, one ounce of hot water, with a little sugar.

Against summer complaints: use with chopped ice, or cold water.
