### Commanders of Canadian Troops.

Thirty-seven Thousand of our Soldiers in the Trenches and 40,000 More Ready for the Front.

Toronto, Sept. 6.—Sir Sam Hughes, Minister of Militia, who was a guest of the Toronto Exhibition Directors to-day, in an interview, confirmed the appointment of General Turner, of Quebec, to command the new Second Canadian Division, and the reports that if the Canadians went into action as an army corps of two divisions, General Alderson, commanding the First Canadian Division, would take command of the corps, and that Col. A. W. Currie, commanding the Second Brigade First Division, would take command of the First Division. He added that it was the policy of the Militia Department to appoint officers with experience at the front to new commands, and if a Third Canadian Division were to go into action General Mercer would be offered command of it.

There are at present, he said, 37,000 Canadian troops in the trenches, and 40,000 more in England, waiting to go to the front. Two divisions in action would mean about 50,000 men.

At the directors' luncheon Sir Sam delivered a brief but inspiring address. He spoke of the gallantry of all the Canadian regiments, notably that of the 48th Highlanders, in holding the line in the battle of St. Julien. He delivered a message from the men at the front the following: "Give our love to the boys and girls at home, and tell them we are doing our duty."

"They have faithfully and nobly performed their duty," said the Minister, "and they are determined to stay on the job till they smash the autocracy of the Kaiser. During their whole arduous service there has been not one reflection on their honor, their fearlessness and their determination."

### What Are You Doing for that Eczema?

"Nothing; I've about given up trying to cure it."  
 "That is not wise. Do as I did and you will probably be cured in a short time. I used Zylex and Zylex Soap with it and my Eczema began to improve at once. A couple of boxes cured. You can get Zylex at your druggists."

### How the Holiday Was Spent.

Yesterday which was the last commercial holiday for the season, was taken advantage of by everyone who could and an enjoyable day was spent. In the morning thousands of all classes could be seen wending their way countrywards. Some were berry picking and basket parties were seen bound for the most popular resorts. Many others left by excursion trains while not a few Waltonsians went whipping the suburban streams and ponds, so that when mid-day arrived the city was almost deserted. Altogether the day was well spent and not a single serious accident of any kind was reported.

### Enjoyable Event.

A successful dancing assembly was held in the C. C. C. Hall on Tuesday night by the Loyal Amusement Club and the large gathering of folks who attended thoroughly enjoyed themselves. The event opened at 9 p.m. and the dancers tripped the light fantastic to the strains of the Cadet band until the early hours of the morning. During the interval at mid-night vocal selections were rendered, adding much to the enjoyment of the evening. The promoters were highly pleased with the success that attended their efforts and intend holding a similar event shortly.

 Gentlemen,—I was badly kicked by my horse last May, and after using several preparations on my leg nothing would do. My leg was black as jet. I was laid up in bed for a fortnight and could not walk. After using three bottles of your MINARD'S LINIMENT I was perfectly cured, so that I could start on the road.

### Rushing Ore Shipments.

There is much activity in mining operations on Bell Island at present and both the Dominion and Nova Scotia companies are engaging extra help and are rushing forward large shipments of ore. More cargoes of the products of the Iron Isle have left there within the past month for
