The laws of fashion all allow. It's stylish to save money now. —Dainty Dorothy.
And so it has come to pass that the thinking women of the country as well as serious minded men have come to the conclusion that the development of thrift is necessary to the development of national character. But if you are going to make last season's clothes do for a while it does not mean that you cannot have them dry cleaned and thoroughly refreshed, and that you must not change the shape or color of them. Our drying system is a perfect one.

FRIENDSHIP is no Criterion

in the selection of an **EXECUTOR**
Quite the contrary. As a rule, the less personal interest an Executor has in an Estate, the better its affairs are administered. The selection of an Executor is a matter of business, not of friendship. Friendship should, therefore, give way to sound business judgment. Appoint this Company your executor.
