VICTORIA PARK

Dairy Cattle, Sheep and Swine Will Be Judged This Afternoon, and Auction Sale Starts Monday at Victoria Park

All is staged at Victoria park for the big sale of sheep, swine and dairy cattle, which opens this afternoon. There will be no sales today, but the stock will be judged this afternoon, and at 2 o'clock there will be a meeting of the Alberta Horse Breeders' association.

The judges will be as follows: Prof. G. H. Hutton, superintendent of the Lacombe experimental farm, will judge the swine; Prof. A. A. Dewell, of the animal husbandry department of the University of Alberta, will judge the dairy cattle, while the judge of the sheep will be John Wilson, of Milletton. On Tuesday morning at 10 o'clock the sales of dairy cattle will begin; at 1:30 in the afternoon the sale of swine will take place, and on Wednesday morning the sheep will be put up. The auctioneer will be S. W. Paisley, of Lacombe.

The big sale is looked upon as a red letter event, as it is the largest of its kind ever attempted in this province, and over 500 animals will be sold.

In order to co-operate, the railroads are offering special fares. Farmers being able to secure a return ticket for a single fare plus one-third.

At the great sale opportunities will be offered to farmers to select the best in pure-bred stock for the improvement of their herds, and to pick out a good foundation stock.

AGITATING AGAINST
CONSCRIPTION ACT

Two French-Canadian Fanatics Burst into Song at Montreal

Montreal, Oct. 28.—Two anti-conscriptionist speakers who are to appear in court next Tuesday on charges of violating the Military Service act by agitating against the act in public, Paul Lafortune and Alphonse Bernier, addressed a gathering of about 500 people this afternoon and declared that prison had no terrors for them. Lafortune intimated that, although of military age, he would not be found in the draft. He found fault because young men had to go before the medical boards naked, use as pipe and other animals were sent before the inspectors at the abattoirs. Bernier asked his hearers to reflect before going overseas to fight those who had never done them any harm. M. O. Maille, who says he is parliamentary candidate in St. Denis division of Montreal, promised, if elected, to work to reduce the salaries of the governor-general, premier, Sir Wilfrid Laurier and the members of parliament generally.

HUN DESTROYER
WAS HIT TWICE

Three German Vessels Were Forced to Land Under Land Batteries

London, Oct. 28.—A German torpedo boat destroyer was hit twice by shells from British and French destroyers during a night Saturday afternoon between six allied and three German vessels of the Belgian coast, according to an admiralty statement issued today. The three Germans were forced to seek safety under the land batteries, the statement says.

The statement follows:
"Six British and French torpedo boat destroyers patrolling off the coast of Belgium Saturday afternoon sighted and attacked three German torpedo boat destroyers and seventeen airplanes. Two direct hits were obtained on one of the enemy destroyers, which immediately retired under the protection of their land batteries."
"Airplane formation was not broken by the fire of the anti-aircraft guns on our destroyers. Each of the airplanes dropped three bombs in the vicinity of our vessels, which suffered no damage aside from two men being slightly wounded."

SPLENDID CRICKET
BY THE SOLDIERS
AT SARCEE CAMP

REVIEW OF YEAR'S PLAY SHOWS SOME EXCELLENT AVERAGES; TOP INDIVIDUAL SCORE GOES TO LIEUT. SILCOCK, WITH 118 RUNS FOR ONE INNING

The operation of the summer training camp at Sarcee, the athletic sports of all kinds were given a place in the regular schedule of work and recognized by the authorities as part of the training of the men for the biggest sport of all—war. Cricket was one of the games entered into with zest, a match being arranged for every Wednesday and Saturday afternoon from July 7 to September 15. The weather was very favorable, only one match having to be abandoned.

There were four regular soldiers' teams in the camp, viz. Officers Mess, H.Q. Subordinate Staff, A.M.C. Training Depot No. 13, and a team from the combined cavalry and infantry units. These played against each other at least twice in the season, in addition to combination matches, and on Wednesday afternoons the Calgary Cricket club journeyed out to camp most regularly to play. The cricket enthusiasts of the camp wish to publicly express their appreciation of the efforts made by the Calgary club to foster the game in this manner. Old standbys like Bryant and Wetherall were always on hand.

The results of the matches played were:
Officers Mess played 9 matches, won 5.
Subordinate Staff, played 12 matches, won 8.
A.M.C. played 11 matches, won 6.
Cavalry and Infantry, played 7 matches, won 4.

In addition to the above, five matches were arranged during the season, a team from the military camp playing against the Calgary Cricket club. Of these Calgary won three and the camp two; and two matches H.Q. Staff versus rest of camp, of which each won one.

In batting scores of over 50 runs were made by: Lieut. Silcock, 118, 106, 56, 52; Sergt. Ingall, 63; Pte. Weech, 70.

ALLAN CUP HOLDERS
TO GET INTO GAME

Winnipeg, Oct. 27.—Dentals of Toronto, the nifty amateur hockey team that spent a few days in Winnipeg last spring and incidentally defeated Saskatoon and the Vics for the Allan cup emblematic of the Canadian amateur hockey championship, are already making arrangements for the 1917-18 season, which means that they will be prepared to defend the silverware and the title in the event they retain both by winning the senior O.H.A. championship.

Jerry Lafamme, manager captain and defense player of the Dentals, who was practically the entire works here against the Vics, has announced his annual retirement from hockey, but the remainder of the Allan cup team will be ready when the ice is ready. And it is altogether likely that Lafamme will fall into line. At any rate he will be ready to don the steel blades should the Dentals be in any danger of letting the cup slip from their grasp.

Willard Box, the speed merchant of the Dentals, has joined the Army Dental corps. Jimmy Stewart, who was suffering from a bad knee during the "great part" of last winter has been soldiering at Camp Borden all summer and according to reports his knee has completely recovered. It is expected that he will play left wing regularly. Rennie, last year with Aura Lee seniors, is also a member of the Dental corps.

Winnipeg has heard little hockey talk so far, but the prospects for good hockey are exceedingly bright. With conscription coming into effect November 10, it is probable that senior hockey will be confined to soldier teams as the majority of last year's players are undoubtedly in khaki. Two of the teams are intact with the exception of Jack Chambers, of the Vics, and Goodman, of the Monarchs. They are already in the army.

PLANK MAY PLAY
It Is Said the Veteran Wants to Join an Eastern Club.

St. Louis, Oct. 28.—Although Fielder Jones recently confirmed the report that Eddie Plank, one of the greatest southpaws the national pastime ever knew, had retired, there are many who argue to take this seriously. They argue that Plank is trying to get his release from a tail ender and wants to get with another club.

When Plank left Philadelphia last fall it was with the understanding that he would be traded to some other club, preferably to one in the East, if a deal could be arranged. The left-hander did not like the idea of being so far away from his family. No deal was put through and Plank reluctantly joined the club this spring. He was twice reported as having difficulty with the management, and once he went home for several days.

ZIM HAS NO ALIBI

"I'll Take All the Blame," Giant Third-Sacked Says.

Heinie Zimmerman, third baseman of the Giants, who is generally blamed for the Giants' loss of the world's series, largely because of his chase of Eddie Collins over the plate with the first run of the deciding game, doesn't alibi himself. He takes all the blame and absolves Catcher Hardin.

"I'll take all the blame," said Zimmerman. "I thought I could run down Collins myself; that is the reason I did not throw to Hardin when he was waiting for the throw. But after we got past Bill and I noticed Collins was gaining on me, I looked up and saw no one covering the plate. Then there was nothing for me to do but to try to catch Collins myself, but he was too fast for me."

However, word comes from Chicago that the White Sox players are virtually unanimous in their opinion that Heinie Zimmerman is not the goat for the recent world's series. They heap the blame on Bill Hardin, backstop. This is in line with the opinion of the Giants and undoubtedly will result in removing the stigma from Heinie's name.

"Hardin is the real culprit," explained Kid Gleason. "Zimmerman had nothing else to do but chase Collins and try to tag him. If he had allowed the ball it would have gone to the stand."

O'DOWD DEFEATED COLE

New York, Oct. 28.—Mike O'Dowd, of St. Paul, defeated Jerry Cole, of Erie, Pa., in the third round of a 10-round match in Brooklyn last night, the latter's seconds' throwing up the sponges. O'Dowd, who weighed 125 pounds, took a 100 for his opponent, tore into Cole from the start, scoring a knockdown in the first round, and two in the second. In the third one of O'Dowd's heavy blows sent Cole through the ropes.
