Merry Del Val, the Papal delegate to Canada, is powerless n first-class order, and the lot is one of the to take up the question of the interference of the bishops in elections, it is pointed out in Catholic circles here that Mgr. Del Val will be unable to settle the Manitoba school question without settling the question of the bishops' interference in elections, as hese two issues, it is claimed, are really inseparable, and the Papal delegate has the most ample powers to settle both questions.
