paid. They were twenty days thawing pany's ad, 6th page, tomorrow.

They were twenty days thawing and getting out dirt. Then there was 2 on their return trip.

# for Wealth!

Is Not Gold That Glitters.

The Perils of the Journey Pointed of the world.

Chilly Prospect for Those Not Already Well On the Way-The Gold Fever Unabated.

Chicago, July 20 .- P. B. Weare, vicepresident of the North American Trad-ing Company, is receiving hundreds of

"The boats which sail from Seattle this month are full-every passage taken. That means that any wants to go to the Klondye must wait for the August boats, and the journey 7,000 miles, people talk about as if it was walking across the street. They don't realize what Alaska is—what the Yukon is. They will need a map to convince them of the truth that the Yukon and its tributaries in Alaska and British America is as large as the whole United States east of the Mississippi, that it is longer than a trip to Europe before they reach the Bering Sea and the mouth of the Yukon; that by the time they strike the Yukon the Alaskan Arctic winter will be upon them. By Sept. 25 the weather ettles, and the Yukon river is frozen

solid until next May." \$10,000,000 THIS YEAR. Seattle, Wash., July 20.—Hon. C. B. McIntosh, governor of the Northwest Territories, in which is included the number from Thamesford, Bryanston, famed Klondyke district, said that the St. Marys and Dorchester, After church Board of Trade today, the following British Yukon yield of gold for 1897 refreshments and short speeches were sales of cheese were made: 2,583 boxes, will not be less than \$10,000,000. He in order. large and small, at 6%c; 7.217 boxes, says surveyors are now at work trying large and small, at 7c; 116 boxes small to ascertain the feasibility of the concolored, at 71/8c; 380 boxes large, con- struction of a railroad into the Yukon. One route contemplates a line of steamers from Fort Wrangle up the Wheeling to Toronto From Ilderton butter at 16c. The market is unchanged Styken river.

GOLD FEVER IN NEW YORK. New York, July 20.—The Press says: presenting the Ilderton Methodist New York has been touched with the Church Epworth League attended the Alaskan gold fever. The past 24 hours has seen come to the front at least 2,000 Argonauts who will be on the way to the Klondye region just as soon as arrangements can be made for transportation. Some notion of how the craze is spreading may be had from

valises have caused the wildest excitevalises have caused the wildest excitement. The transportation agencies are being flooded with telegrams asking for routes and rates, and above all when the next steamer will sail for Alaska. A big exodus from the Padific coast mining camps to Alaska will begin, though it is risky to go now. It will be winter when the men arrive on Fat hogs sold at from 5c to 5½c per the value of the vision. The mines cannot be work. the Yukon. The mines cannot be worked then, and they cannot get back un-

IN HASTE TO BE RICH. Port Townsend, Wash., July 20.-The

brother, Charles Holm, went to Kansas City, where they identified the reeau for Dawson City on July 12, and 150 would leave on the 16th, two days after the Queen sailed. The officers say that by the time the Queen returns husband. make it almost impossible to tell what to Juneau on her return trip nine days hence, there will not be an able-bodied man left in the town. Many men are liaferro was satisfied that the dead man had once been her husband. The leaving Juneau for the gold fields withfuneral was held at Kansas City. out provisions or means to buy them. The steamer Alki sailed for Alaska Talliaferro, received a letter from him at midnight. She carried 40 horses and saying that he is employed in a restar 1,000 sheep for Dy-A, where they will be landed and driven across the sumrant at Decatur, Ill. 586ep and lambs—Receipts, 20 cars; by minutes west longitude. Bonanza to be found. Next morning Chief King two miles above the Yukon. Eldorado to be found. Next morning Chief King good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 50; sheep, clipped, choice to selected wethers, \$3 90 to \$4.25; spring lambs, good to extra, \$5 25 to \$5 both well-named, for the richness of the brigade for six years. placers is truly marvelous. Eldorado, 30 miles long, is staked the whole length. In each 500 feet along the creek ed there is a half million to a claim o uniform has the output been that burst six miles west of this place washone miner who has an interest in three claims told me that if offered his choice he would toss up to decide. One passenger who is taking \$1,000 is the worst flood ever known.

with him has worked 100 feet of his ground and refused \$200,000 for the remainder, and confidently expects to clean up \$400,000 and more. He has in another satisfactory period for the two big Canadian railway companies. Each pay dirt while being washed averaged show substantial increases. although \$250 an hour to each man shoveling in. Two others of our miners who worked their own claims cleaned up an increase of \$68,000 over \$6,000 from the day's washing. There is about fifteen feet of dirt above bed rock, the pay streak averaging from \$477,000; 1896, \$109,000; increase, \$68,000 four to six feet, which is tunneled out T while the ground is frozen. Of course 261.

no water to sluice with, but one fellow made a rocker, and in ten days took out the \$10,000 for the first installment.

So, tunneling and rocking, they took out \$40,000 before there was water to sluice with. Of course, these things read like the story of Aladdin, but fiction is not at all in it with the facts at Klondyke. The ground located and prospected can be worked out in a few years, but there is still an immense territory untouched, and the laboring man who can get there with one year's man who can get there with one year's provisions will have a better chance to make a stake than in any other part LAKE SHORE.

Coming and Going Guests - Summoned to a Sick Bed. Lake Shore, Bosanquet, July 17.—John T. Howland, of Tekamah, Neb., is visiting his aunt, Mrs. A. Johnson, here.

Miss Ella McBryan is visiting friends on the Lake Shore.

Miss Winnie Fraser returned today from London, where she has been visiting for three weeks at the home of liting liting liting in almost daily and looking over the situation. Several sales have recently been made, and by fall they may attain a considerable magnitude. Capt. J. H. Triggs, recently acquired the windle with liting liting liting liting in almost daily and looking over the situation. DEATH'S DOINGS. London, July 20.—Sir John Charles Bucknill, one of the founders of the stunted .- [Moody. olunteer movement of 1859, is dead. The deceased was in his 80th year. A DINNER PILL.-Many persons

suffer excruciating agony after partaking of a hearty dinner. The food partaken of is like a ball of lead upon the stomach, and instead of being a heal-thy nutriment, it becomes a poisor to the system. Dr. Parmelee's Vegetable Pills are wonderful correctives of such troubles. They correct acidity, open the secretions and convert the food r taken of into healthy nutriment. T are just the medicine to take if tr bled with Indigestion or Dyspepsia.
